Experience

July 2002-Present
Clinical Pharmacy Specialist, Critical Care
Medical Intensive Care Unit
Assistant Professor
Department of Pharmacology
Division of Pulmonary and Critical Care Medicine
Department of Pharmacy
RUSH University Medical Center
Chicago, Illinois

Post-Doctoral Training

July 2001-June 2002
Internal Medicine Residency
John Cochran VA Medical Center
Saint Louis, Missouri
Residency Director: Jennifer Kasiar, Pharm.D., BCPS

Specialty Training

September, 2001
Critical Care (MICU), Barnes-Jewish Hospital
Preceptor: Robyn Schaiff, Pharm.D., BCPS

November, 2001
Cardiology, St. Luke's Hospital
Preceptor: Paul Dobesh, Pharm.D., BCPS, FCCP

January, 2002
Infectious Diseases, Barnes-Jewish Hospital
Preceptor: David Ritchie, Pharm.D., BCPS, FCCP

May, 2002
Critical Care (MICU), John Cochran VA Medical Center
Preceptors: Michael Lippmann, MD
Jennifer Kasiar, Pharm.D., BCPS

Educational Training

August 2006-June 2008	Rush Graduate College Clinical Research Program Chicago, Illinois	Master of Science
August 1996-May 2001	St. Louis College of Pharmacy Saint Louis, Missouri Magna Cum Laude	Doctor of Pharmacy
August 1992- May 1996	Truman State University Kirksville, Missouri	B.S. Degree in Chemistry

Professional Experience

August 2009-Present	Assistant Professor Department of Pharmacology RUSH Medical College Chicago, IL
July 2009-Present	Clinical Site Coordinator Critical Care Residency (PGY2) Midwestern University Chicago Colleges of Pharmacy Site: RUSH University Medical Center Chicago, IL
November 2003-Present	Assistant Professor Department of Internal Medicine RUSH Medical College Chicago, IL
August 2002-Present	Adjunct Assistant Professor Division of Pharmacy Practice Chicago Colleges of Pharmacy Midwestern University Downers Grove, IL
August, 2001- June, 2002	Clinical Instructor Division of Pharmacy Practice Saint Louis College of Pharmacy St. Louis, MO
October, 2000-Present	Pharmacist Walgreen's Pharmacy Saint Louis, Missouri Chicago, Illinois

Journal/Publication Reviewer

January 2010	Pharmacoepidemiology and Drug Safety Manuscript Reviewer
November 2009	Industrial Health Manuscript Reviewer
June 2009	American College of Chest Physicians ACCP Annual Meeting Abstract Reviewer
July 2008-Present	Pharmacotherapy Manuscript Reviewer Critical Care/Infectious Disease
September 2007	Society of Critical Care Medicine (SCCM) SCCM Annual Critical Care Congress and Symposium February 2008 meeting Abstract Reviewer
June 2007- Present	University Health-System Consortium (UHC) Monograph Reviewer Drug Information
December 2005-Present	Annals of Pharmacotherapy Manuscript Reviewer Critical Care/Infectious Disease

Hospital Committees

- Critical Care Quality Committee-
Member 2005-Present
- Emergency Resuscitation Committee-
Member 2002-2008
Co-Chair 2008-Present

Presentations

“Drug-Induced Arrhythmias in the ICU” Speaker, Society of Critical Care Medicine (SCCM) 40th Annual Conference. Continuing Education (CE). San Diego, CA. January 2011

“Managing Hyponatremia: Challenges & Opportunities for the Hospital Pharmacist” Moderator and Speaker. Illinois Council of Health-System Pharmacists (IHP). Continuing Education (CE). Oak Brook, IL. August 2010

“A Pharmacist approach to a patient with septic shock” 5th Annual Sino-American Hospital Pharmacy Conference. Nanjing, China. May 2010

2010 JPT International Intravenous Conference: Intravenous medication compounding and safety. “Aseptic technique for compounding sterile products” and “USP Chapter <797>” Beijing, China. May 2010

“An approach to the management of delirium in the ICU” Illinois Council of Health-System Pharmacists (IHP). Spring Meeting. Bloomington, IL. March 2010

Vancomycin resistant *Enterococcus* (VRE). Society of Critical Care Medicine (SCCM): ICU Infection in an Era of Multi-Resistance. 8th Summer Conference in Intensive Care Medicine Chicago, IL. June 2009

“One Prokinetic Agent versus Two for Gastrointestinal Motility” Presented at the American Society of Parenteral and Enteral Nutrition (ASPEN) conference. *Presenter*. New Orleans, LA. February 2009

“Hyperglycemia Management in the ICU” Presented at the American Society of Parenteral and Enteral Nutrition (ASPEN) conference. *Session Moderator and Presenter*. New Orleans, LA. February 2009

“Catecholamines at the ICU Bedside: Which is the best?” Presented to the Department of Pharmacology, Seminar Series. Rush University Medical Center. Chicago, IL. November 2008.

“Safety and Therapeutic Interchange of Generic Low-Molecular Weight Heparins” Presented at American College of Chest Physicians ACCP Roundtable meeting. Philadelphia, PA. October 2008.

“Therapeutic Interchange and Generic Low-Molecular Weight Heparins” Presented at the North American Thrombosis Forum (NATF) meeting at Brigham’s and Women’s Hospital. Boston, MA. September 2008.

“Safety of Follow-on Biologic Medications: Implications for Anticoagulants” Continuing Education Program. Presented at the American College of Chest Physicians ACCP meeting. Huntington Beach, CA. March 2008.

“Balancing Propofol and Nutrition in the Intensive Care Unit” Pragmatic Approach to Nutrition in the Intensive Care Unit. Continuing Education Program. Presented at RUSH University Medical Center. Chicago, IL. November 2007.

Advanced Critical Care & Trauma Symposium. *Program Consultant and Speaker*. Continuing Education (American Association of Critical Care Nurses AACCN, Accreditation Council for Continuing Education AMA, American Academy of Physician Assistants ACCME, and Accreditation Council for Pharmacy Education ACPE)

“Adverse Effects of Sedation and Analgesia in the ICU”

“Evaluation and Treatment of Delirium in the ICU”

“An Approach to Bleeding in the ICU: A Focus on Pharmacotherapy”

Chicago, IL. November 2007

“An Evaluation and Treatment Approach to Hyponatremia in the Hospitalized Patient” Alabama Society of Health System Pharmacists (AISHP) Annual Meeting. Continuing Education (ACPE) Birmingham, AL. October 2007

“A Evaluation of Treatment Strategies for the Treatment of Hyponatremia in Acutely Ill Patients” Presented to Mayo Clinic Nephrology Fellows. Rochester, MI. April 2007

“Pharmacologic Considerations in the Intensive Care Unit: Nutrition” Pragmatic Approach to Nutrition in the Intensive Care Unit. Continuing Education Program. Presented at RUSH University Medical Center. Chicago, IL. November 2005.

“Management of Sedation and Analgesia in the Intensive Care Unit” Illinois Council of Health-System of Pharmacists (IHP) Annual Meeting. Continued Medical Education (ACPE). Oak Brook, IL. September 2005.

“Therapeutic Management of Gram-Positive and Gram-Negative Resistance” Medicine Grand Rounds, Continuing Medical Education (CME). Presented at St. Joseph Hospital. Chicago, IL. April 2005

“Update on the ACCP-Chest Guidelines for Prevention of Venous Thromboembolism” Presented to RUSH University Medical Center Pulmonary and Critical Care Fellows. Chicago, IL. March 2005

“Approaches to Resistance in Community Acquired Pneumonia” Medicine Grand Rounds, Continuing Medical Education (CME). Presented at Oak Park Hospital. Oak Park, IL. February 2005

“Management of COPD Exacerbation in the Intensive Care Unit” Presented to University of Chicago and Michael Weiss Memorial Hospital Residents/Interns. Chicago, IL. February 2005

“Acute Coronary Syndromes-Nursing Approach to Intravenous Treatment Strategies” Presented at Centegra’s Fall Nursing Symposium-Continuing Education (CE). Woodstock, IL. September 2004

“Acute Coronary Syndromes-A Focus on Reperfusion Therapies” Presented to RUSH University Medical Center Cardiology and Critical Care Fellows. Chicago, IL. August 2004

“Approach to Invasive Fungal Infections in Critically Ill Oncology Patients” Presented to Northwestern Memorial Hospital Hematology and Oncology Fellows. Chicago, IL. July 2004

“Advances in Antifungal Pharmacology and Update in Candida Guidelines” Pulmonary and Critical Care and Infectious Disease Fellows, Moderator/Presenter Presented to UIC, RUSH, and Loyola Medical Center Chicago, IL. March/April 2004

“Strategies for Venous Thromboembolism and Stress Ulcer Prophylaxis in Medically Ill Patients” Medicine Grand Rounds Presented to RUSH Medical Center Residents/Interns, Continuing Medical Education (CME), RUSH University Medical Center, Chicago, IL. November 2003

“Critical Appraisal of Surveillance Data for Community Acquired Respiratory Pathogens” Presented to Attending Physicians in Chicagoland Area, Four Seasons Hotel, Chicago, IL. November 2003

“Application of Evidence Based Medicine in the Treatment of Community Acquired Pneumonia” Presented to St. Mary’s Internal Medicine Residents, St. Mary’s Hospital, Chicago, IL. October 2003

“Application of Community Acquired Pneumonia Guidelines in an Urgent Care Center” Presented to Attending House Staff, Sherman Medical Center, Algonquin, IL. September 2003

“Treatment Approach to Resistant Gram-Positive Infections” Presented to Northwest Community Hospital Pharmacy Staff, Arlington Heights, IL. July 2003

“Cardiovascular Pharmacology- RUSH Cardiology Review” Continuing Education Program Presented to RUSH-SLMC Cardiology Fellows, RUSH-Presbyterian St. Luke’s Medical Center, Chicago, IL. August 2002

“Bioterrorism” Continuing Education Program Presented to Saint Louis Area Pharmacists, Saint Louis College of Pharmacy, St. Louis, MO. February 2002

“Sepsis: A New Treatment Approach with Activated Protein C” Continuing Education Program Presented to Saint Louis Area Pharmacists, Saint Louis College of Pharmacy Saint Louis, MO. October 2001

“Sepsis: A New Treatment Approach with Activated Protein C” Medicine Grand Rounds Presented to Washington University and Saint Louis University Residents, John Cochran VA Medical Center, Saint Louis, MO. October 2001

“The Prevention and Treatment of Postmenopausal Osteoporosis” Presented to Indian Society of Physicians of Saint Louis, Ghandi Cultural Center, Saint Louis, MO. October 2001

“Clopidogrel vs. Ticlopidine after Coronary Artery Stent Placement” Doctor of Pharmacy Seminar, Presented to Saint Louis College of Pharmacy Faculty, Saint Louis, MO. January 2001

“The Role of Cofactors in Metabolism” Inorganic Chemistry Research Thesis Presented to Chemistry Faculty, Truman State University, Kirksville, MO. May 1996

Teaching Experience

Spring, 2001	PP 2100: Introduction to Pharmaceutical Care and Non-Prescription Drugs Weekly Group Discussion Leader
August, 2001- June2002	Clinical Instructor Division of Pharmacy Practice Saint Louis College of Pharmacy
Fall, 2001	TH 4001: Therapeutics I Weekly Group Discussion Leader
Fall, 2001	Resident Teaching Workshops Saint Louis College of Pharmacy An 18-hour workshop series designed to develop an understanding of knowledge, skills, and attitudes necessary to achieve student-centered, assessment driven learning.
Spring, 2002	CP 5700 Antimicrobial Pharmacotherapy (2 hours) Lecturer/discussion facilitator (Chloramphenicol, Quinupristin/Dalfopristin, Linezolid, and Vancomycin)
Spring, 2002	PP 2100 Introduction to Pharmaceutical Care and OTC Drugs Weekly discussion section leader
Spring, 2002	Preceptor for Pharm.D. Clinical Clerkships Chicago Colleges of Pharmacy Midwestern University
Fall, 2002-Present	Preceptor for Pharm.D. PGY1 Residents Medical Intensive Care Unit rotation RUSH University Medical Center
August 2002-Present	Adjunct Assistant Professor Division of Pharmacy Practice Chicago Colleges of Pharmacy Midwestern University Therapeutic Issues in Critical Care-PPRA 0650 Course Director: Tudy Hodgman Pharm.D., BCPS, FCCM
November 2003-Present	Assistant Professor <i>Introduction to Pharmacology-Fluids and Electrolytes</i> <i>Acid-Base in the Intensive Care Unit</i> PRF 333 Department of Internal Medicine RUSH Medical College Chicago, IL

August 2005-August 2010 Assistant Professor
Advanced Therapeutics
Course 530D Pharmacotherapeutics
- *Vasoactive Therapy in the Intensive Care Unit*
- *Acute Coronary Syndromes: Focus on Reperfusion Therapies*
College of Nursing
RUSH Medical Center
Chicago, IL

August 2009-August 2011 Assistant Professor
Course: Medical Pharmacology
RUSH Medical College
Chicago, IL

Fall Quarter: 20 contact hours
- *Pharmacokinetics I and II*
- *Autonomic Nervous System*

Winter Quarter: 14 contact hours
- *Cardiovascular Pharmacology*

August 2009-Present Assistant Professor
Course: Physiology and Pharmacology
RUSH Graduate College
Chicago, IL

Fall Quarter: 25 contact hours
- *Autonomic Nervous System*
- *Cardiovascular Pharmacology*

Spring Quarter: 3 contact hours
- *Anticoagulant and antiplatelet therapies*
- *Toxicology*

Honors and Awards

Society of Critical Care Medicine (SCCM) Presidential Citation: Contribution to Critical Care	December 2010
GlaxoSmithKline Pharmaceutical Award in Patient Care	May 2001
Recipient of Mark A. Gasaway Scholarship	2000-2001
Recipient of Werner Scholarship	1999-2000
Saint Louis College of Pharmacy High Proficiency Scholarship	1997- 2001
Saint Louis College of Pharmacy Dean's List	1996-2000

Clinical Research/Grants

1. March 2003-August 2008

Randomized Trial of Norepinephrine versus Dopamine for Septic Shock
Site RUSH University Medical Center, Medical Intensive Care Unit
Role: Primary Investigator
Funding: None

2. January 2005-June 2008

Prospective Review of Antibiotic Administration in Medical-Surgical Intensive Care Units. For Septic Shock. Medical Intensive Care Unit and Emergency Department.
Site: RUSH University Medical Center
Role: Sub Investigator
Funding: Center for Clinical Research, RUSH Medical Center, amount of \$1,000

3. January 2006-March 2008

Retrospective Review of Candidemia Associated Septic Shock
Site: RUSH University Medical Center
Role: Primary Investigator
Funding: None

4. June 2009-July 2010

The Role of Simulation training with Pharmacy Practice Residents (PGY1/PGY2) in order to reduce adverse events with intravenous medications

Site: RUSH University Medical Center Simulation Lab

Role: Primary Investigator

Funding: Center for Teaching Excellence/Midwestern University and Chicago Colleges of Pharmacy for \$2,500
