- Mock Arbitration
- Disclosures and Record-Keeping
- Effective Service as Arbitrator

ARIAS-US – Arbitrator & Umpire Seminar - Brooklyn, NY October 2, 2019

The Wild Wild West Of Discovery Disputes & Summary Adjudication

- Scope of discovery:
- What type of standards do panels apply when considering discovery disputes?
- How does the panel consider allegations that certain discovery is irrelevant or, alternatively, that it is unduly burdensome?
- What are some effective ways to encourage parties to resolve these disputes themselves? The panel will weigh the pros and cons of granting motions to compel.
- Subpoenas: When are subpoenas appropriate? What is the arbitrators’ authority to issue subpoenas?
- Privilege disputes:
- When are documents relating to claims-handling, settlement, and allocation protected by the attorney-client privilege versus discoverable as the business of insurance?
- How do arbitrators resolve a party’s claims of privilege?
- Summary Adjudication
- The efficacy of motions for summary adjudication: before discovery commences; after discovery but before the hearing.

“Mixology 101” – Documents, Witnesses & The Science Of Persuasion

- When prescient witnesses are unavailable, what is the best way to present evidence to the panel? The panelists will discuss the use of other fact witnesses and quasi-expert testimony.
- Do preferences change in cases involving legacy business? Should they?
- Resolving the tension between parties wishing to present streamlined cases and panels needing to hear sufficient evidence to identify and fully explore the issues.
- How do arbitrators’ prior experiences affect their decision-making? To what extent do these experiences constitute “bias?”

Is Compromise A Four Letter Word? What Transpires In Deliberations & The Issuance Of Awards

- What happens during deliberations.
- Do compromise awards occur often, too often, or not often enough? How do participants react to such a compromise? Does it matter if it is a principled compromise?
- When is it appropriate to dissent and should umpires view a dissent as a good, bad, or indifferent?
- Do all litigated issues need to be addressed in the award?
- How much negotiation goes into the wording of the award? Is dialogue on the topic encouraged?
- Whether in-person deliberations (versus emails) are necessary when motions to clarify awards are filed.
