Professional Background of Dean L. Webb, P.E., CSE.

1984-Present

Dean L. Webb started the Consulting Engineering Firm, Dean L. Webb & Associates, P.C., in 1984. This firm specializes in Civil- Structural Engineering, and Forensic Engineering.

1984-2003

Dean L. Webb & Associates, Forensic Engineers, specializes in Forensic Engineering. Arnold W. Coon, P.E., and Dean L. Webb, P.E., CSE, consulted with each other, as Forensic Engineers from 1984 to 2003. From 1994 to 2003, many Forensic cases were evaluated using a d.b.a. COON & WEBB, Forensic Engineers.

1981-1984

The Daniel, Mann, Johnson, & Mendenhall (DMJM) Corporation, out of L. A., California purchased the Coon, King, and Knowlton Company in 1981. Mr. Webb was head of the Structural Department for the Salt Lake City Division of DMJM.

1973-1981

Joined Coon, King & Knowlton (CKK) in June 1973 and acquired experience in structural design, land development, subdivision design, road design, storm drainage, surveying, water treatment, sewage treatment, and investigations. In 1979 Dean L. Webb become the head of the Structural Department for Coon, King & Knowlton.

Fee Schedule: (For Dean L. Webb) Basic hourly rate, \$200.00 per hour, including travel time. Depositions, Expert Witness at Court, Expert Witness at Mediation, and Expert Witness at Arbitrations, are billed at an hourly rate of \$400.00 per hour, including travel time.

Dean L. Webb, P.E., CSE.

Experience: Over forty three years of Structural and Forensic Engineering experience. As a Structural Engineer his experience includes the design of schools, office buildings, warehouses, water treatment plants, water storage reservoirs, sewage treatment plants, residential projects, shopping centers, and many other structures. Performed Structural Evaluations of large demolition projects. As a Forensic Engineer his experience includes the investigation, evaluation, and presentation of reports on all types of problems which have legal implications, and on several occasions appeared in court as an expert witness.

No. of Investigations: Over 1600

% Plaintiff / Defense: 40/60

Testimony Experience: Approximately 45 depositions and approximately 25 courtroom, mediation, or arbitration appearances.
