

CURRICULUM VITAE

Dean M. DeLuke, DDS, MBA

PERSONAL INFORMATION:

Name: Dean M. DeLuke

Title: Professor Emeritus

Address: Department of Oral and Maxillofacial Surgery

521 North 11th Street, Room 311

Richmond, VA 23298

Phone: 518-441-1265 (mobile)

E-mail: dmdeluke@vcu.edu

PROFESSIONAL SUMMARY:

Primary Departmental Program Area: Oral and Maxillofacial Surgery

Areas of expertise and interest: Pre-doctoral education, dento-alveolar surgery, oral pathology, anesthesia and pain control, medico-legal and practice management, dental implants

EDUCATION:

Postgraduate:

- Fellowship: 1982 Fellowship in Maxillofacial Surgery, Queen Victoria Hospital, East Grinstead, Sussex, England
- Residency: 1979-82 Residency and Chief Residency, Oral and Maxillofacial Surgery, Long Island Jewish Medical Center, New Hyde Park, NY
- Internship: 1978-79 General Dentistry, St. Clare's Hospital, Schenectady NY

Graduate:

- 2007 Union Graduate College, MBA with honors (Beta Gamma Sigma)
- 1978 Columbia University, DDS

Undergraduate: 1974 St Michael's College, BA Cum Laude

CERTIFICATION AND LICENSURE

Licensure: Virginia 2011-present
New York 1978-2011
Certified in all NERB states 1978

Certification: 1984 Diplomate, American Board of Oral and Maxillofacial Surgery (unlimited certification)

APPOINTMENT AND EMPLOYMENT HISTORY / SIGNIFICANT WORK EXPERIENCE

2021-present Professor Emeritus, Department of Oral and Maxillofacial Surgery, VCU School of Dentistry and VCU Medical Center

2017-2021 Professor, Department of Oral and Maxillofacial Surgery, VCU School of Dentistry and VCU Medical Center

2011-2017 Associate Professor, Department of Oral and Maxillofacial Surgery, VCU School of Dentistry and VCU Medical Center

2008-2011 Business Consultant in Healthcare, Millennium Business Communications, Albany NY

2003-2004 Oral Surgery Consultant, New York State Department of Health, Albany NY

1998-2002 Co-Director, Cleft Palate Center, St Clare's Hospital, Schenectady NY

1989-1993 Chief, Department of Dentistry and Oral Surgery, St Clare's Hospital

1988-1993 Director of Dental Education and Oral Surgical Services, St Clare's Hospital, Schenectady, NY (position included co-directorship of general practice residency)

1982-2011 Private Practice, Oral and Maxillofacial Surgery, Schenectady NY

1981-1982 Clinical Instructor, School of Dental Medicine, SUNY at Stony Brook (as Chief Resident)

1978-1979 Research Associate, Facial Pain Clinic, Columbia University School of Dental and Oral Surgery

Hospital Appointments

- 2011-2022 Attending, MCV Hospitals, Richmond VA
- 1988-2001 Consultant, Veterans Administration Hospital, Albany NY
- 1982-1999 Attending, Ellis Hospital, Schenectady NY
- 1982-1998 Consultant, Sunnyview Rehabilitation Hospital, Schenectady NY
- 1982-2011 Attending, St Clare’s Hospital, Schenectady NY (Department Chair, 1989-1993)

Military Service

- 1988-1993 Lt Commander, PRIMUS Unit of Albany Medical Center, US Naval Reserve

HONORS AND AWARDS (see also Teaching Awards):

- 2018 Daniel M. Laskin Award for Outstanding Predoctoral Educator, American Association of Oral and Maxillofacial Surgeons
- 2016 Fellow, International College of Dentists
- 2015 Elected to Faculty Section of Omicron Kappa Upsilon (National Dental Honor Society)
- 2008 Elected to Beta Gamma Sigma (International Honor Society for Schools of Business)
- 2003 Listed in Who’s Who in Medicine and Healthcare
- 2003 Listed in Who’s Who in America
- 1989 Fellow, American College of Dentists
- 1988 Honorary Physician member, New York State Police Benevolent Association
- 1981 Certificate of Award for Outstanding Achievement in Medical Writing, Long Island Jewish Hospital

MEMBERSHIP IN SCIENTIFIC OR PROFESSIONAL SOCIETIES:

- 2011-present Member, Virginia Society of Oral and Maxillofacial Surgeons
- 2001-present Member, Health Volunteers Overseas
- 1996-2006 Member, American Association of Dental Consultants
- 1992-2006 Member, American Medical Writers Association
- 1990-2006 Member, American Cleft Palate-Craniofacial Association
- 1984-2002 Member, Schenectady County Dental Study Club
- 1983-2011 Member, New York State Society of Oral and Maxillofacial Surgeons
- 1982-2011 Member, New York State Dental Society and local affiliates
- 1982-present Fellow, International Association of Oral and Maxillofacial Surgeons
- 1982-present Fellow, American Association of Oral and Maxillofacial Surgeons
- 1982-present Member, American Dental Association

SCIENTIFIC AND SCHOLARLY ACTIVITIES

Editorial Service

- 2020-present Reviewer, Oral and Maxillofacial Surgery Cases (Elsevier Publications)
- 2018-present Reviewer, European Journal of Dental Education
- 2014-present Reviewer, Journal of Oral and Maxillofacial Surgery
- 2013-2014 Editorial Board, Advances in Stomatology

Grants and related activity:

- 2016 Ad Hoc Grant Review Committee, Repetitive Bone Marrow Transplantation for Immune Rejuvenation. (Deeb, Deeb and Sahingur)
- 2016 HEETF Grant for Simulation in Teaching Anesthesia and Surgical Technique (\$25,000.00). Abubaker and DeLuke, submitted June 2016 and approved

2015 Innovation in Teaching Grant, School of Dentistry (\$5500.00) Lui, DeLuke, Abubaker. Teaching videos produced and in use.

Patents, Inventions, Copyrights:

2015-2016 Capstone project in conjunction with Biomedical Engineering: A marsupialization tube for management of cysts of the jawbone. Hamdi Abdeen, student team leader; René Olivares-Navarrete, DDS, PhD, faculty adviser.

Research Advising and Mentoring

2020-21 Jennifer Van Hook, resident. Advisor for medical writing: Exposure and Bonding of Impacted Teeth, Surgical Curriculum for Online Resident Curriculum, an AAOMS initiative

2018-2019 Michael May, student. Primary advisor for research project: Patients on NOACs undergoing dental extractions.

2018-2020 Michael Board, student. Primary advisor for research project: Predicting osteoradionecrosis risk—total dose vs. dose volume.

2017-2020 Chris Ray, resident. Primary advisor for research project: Predicting osteoradionecrosis risk—total dose vs. dose volume.

2017-2019 Dan Tran, resident. Primary advisor for research project: Patients on NOACs undergoing dental extractions.

2016-2017 Darriel Cannon, dental student. Primary advisor for research project: Maximal doses for local anesthesia—A survey of current teaching in US dental schools.

2015-2016 Luke Antonos, resident. Primary advisor for research project: The value of an operating room rotation for undergraduate dental students (see publications).

2015-2016 Vickas Agarwal, dental student and Trevor Holleman, resident. Primary advisor for research project: A retrospective review and comparison of hospital and surgeon reimbursement for facial trauma (see publications).

2015 Osama Soliman, mentor for preparation in the Oral Pathology section exam of the Canadian Board of Oral and Maxillofacial Surgery

2014-2015 Alyssa Franklin, dental student. Adviser for research project. Resulted in publication in the Journal of Oral and Maxillofacial Surgery: Is There Uniformity and Satisfaction Among Clinical Practice Models and Faculty Compensation Plans In US Dental School-Based Oral and Maxillofacial Surgery Departments? (see publications)

2013 Samir Singh, resident. Primary advisor for book chapter. Resulted in publication in Elsevier text, Syndromes of the Head and Neck (see publications)

2013 Roman Meyliker, resident. Primary adviser for book chapter. Resulted in publication in Elsevier text, Syndromes of the Head and Neck (see publications)

Extramural Presentations

- 4/2018 Metropolitan Dental Study Club “Newer Concepts in Local Anesthesia” (regional, invited lecturer)
- 3/2018 Richmond Dental Society “Newer Concepts in Local Anesthesia” (regional, invited lecturer)
- 11/2015 Peninsula Dental Society “Selected Case Presentations: Oral Pathology and Closed Claims Reviews” (regional, invited lecture)
- 3/2014 Northern Virginia Dental Study Group “Selected Case Presentations: Oral Pathology and Closed Claims Reviews” (regional, invited lecture)
- 2/2011 University Of Minnesota School of Dentistry “Selected Case Presentations: Clinical Pathology Conference and Closed Claims Reviews” (invited lecture)
- 2/2010 OMS National Board of Directors “An Analysis of the Current Investment Portfolio and Company Advisors” (national, invited lecture and assignment)
- 2/2004 University of Connecticut Department of Oral and Maxillofacial Surgery “Risk Management Techniques and Practice Valuation Methodology” (regional, invited lecture)
- 2/1998 American Association of Oral and Maxillofacial Surgeons, Anesthesia Assistants Review Course, Lecturer (national, invited lecture)
- 9/1997 American Association of Oral and Maxillofacial Surgeons Annual Meeting, COMPAS Symposium on Anesthesia, Presenter (national, invited lecture)
- 3/ 1997 St Clare’s Hospital Dental Staff “Dental Implants: The Team Approach” (local, invited lecture)
- 9/1995 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Abstract Session on Medical Issues in Oral and Maxillofacial Surgery, Reactor Panelist (national, invited panelist)
- 2/1995 Schenectady County Dental Study Club “Syndromes of the Head and Neck” (local, invited lecture)

- 11/1992 Schenectady County Dental Study Club "Orthognathic Surgery" (local, invited lecture)
- 11/1991 St Clare's Hospital Dental Staff "Syndromes of the Head and Neck" (regional, invited lecture)
- 2/1990 St Clare's Hospital Tumor Board "Eosinophilic Granuloma" (regional, invited lecture)
- 11/1989 St Clare's Hospital Tumor Board "Malignant Schwannoma of the Palate" (regional, invited lecture)
- 11/1989 New York State Dental Society Invitational Forum on the Future of Dentistry "The Future of Oral and Maxillofacial Surgery" (state society, invited lecture)
- 8/1988 University of Connecticut Department of Oral and Maxillofacial Surgery "A Clinicopathologic Review of Giant Cell Lesions" (regional, invited lecture)
- 4/1988 Fourth District Dental Society Annual Meeting "An Overview of Orthognathic Surgery" (regional, invited lecture)
- 3/1987 Ellis Hospital Medical-Dental Staff "Current Advances in Orthognathic Surgery" (regional, invited lecture)
- 5/1986 International Association of Oral and Maxillofacial Surgeons, Vancouver, BC "Treatment of Temporomandibular Joint Ankylosis" (international, submitted lecture)
- 3/1986 Ellis Hospital Medical-Dental Staff "Current Advances in Temporomandibular Joint Surgery" (regional, invited lecture)
- 6/1982 Northeast Association of Oral and Maxillofacial Surgeons Annual Meeting "Life Threatening Septic Shock Secondary to Odontogenic Infection" (regional, submitted lecture)
- 4/1982 Long Island Jewish Hospital Emergency Department Staff "Management of the Maxillofacial Trauma Patient" (local, invited lecture)
- 4/1982 Long Island Jewish Hospital Emergency Department Staff "Management of the Maxillofacial Trauma Patient" (local, invited lecture)
- 1/1982 Long Island Jewish Hospital Medical-Dental Staff "Midfacial Trauma: Unusual Case Reports" (regional, invited lecture)

6/1981 Northeast Association of Oral and Maxillofacial Surgeons Annual Meeting
“Treatment of Craniofacial Fibrous Dysplasia” (regional, submitted lecture)

Continuing education courses given

- 09/2023 “Local Anesthesia: Improving the Patient Experience”
“Medical Emergencies: Are You and Your Staff Really Prepared?”
(combined 7 hr course for CDOCS / Spear Education)
- 10/2023 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 04/2023 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 03/2023 “Local Anesthesia: Improving the Patient Experience”
“Medical Emergencies: Are You and Your Staff Really Prepared?”
(combined 7 hr course sponsored by the VCU School of Dentistry)
- 01/2023 Mock Boards, Examiner, VCU Department of Oral and Maxillofacial Surgery
- 09/2022 “Medical Emergencies: Are You and Your Staff Really Prepared?” (3 hours,
Virginia Dental Association)
- 09/2022 Clinicopathology Conference, VCU Department of Oral and Maxillofacial Surgery
- 03/2022 Benign Jaw Pathology, VCU Department of Oral and Maxillofacial Surgery
- 02/2022 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 07/2021 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 11/2019 Washington DC Dental Society, “Local Anesthesia Update and Review”
- 9/2019 “Local Anesthesia: Improving the Patient Experience”
“Medical Emergencies: Are You and Your Staff Really Prepared?”
(combined 7 hr course sponsored by the Virginia Dental Association)

- 5/2019 “Local Anesthesia: Improving the Patient Experience”
“Medical Emergencies: Are You and Your Staff Really Prepared?”
(combined 7 hr course sponsored by the Maryland Dental Society)
- 10/2017 “Local Anesthesia: Improving the Patient Experience”
“Medical Emergencies: Are You and Your Staff Really Prepared?”
(combined 7 hr course sponsored by the VCU School of Dentistry)
- 11/2016 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 11/2014 “Medical Emergencies, Local Anesthesia Review and Recordkeeping: A
Potpourri for the Dental Team,” Hagerstown, MD (regional, invited CE
Course, full day)
- 3/2014 Local Anesthesia and Nitrous Oxide for Dental Hygienists, sponsored by
the Department of Continuing Education, Virginia Commonwealth School of
Dentistry (a 36 hr certification course – co-director)
- 11/2013 Alton Brashaer Course in Head and Neck Anatomy, lecturer
- 7/2013 Local Anesthesia and Nitrous Oxide for Dental Hygienists (see above, repeated)
- 11/2012 Alton Brashaer Course in Head and Neck Anatomy, lecturer
- 9/2012 Local Anesthesia and Nitrous Oxide for Dental Hygienists (see above, repeated)
- 4/2005-10/2007
Risk Management Seminars (various topics including Infection, Dental Implants,
Oral Pathology, Anesthesia, Dento-alveolar Surgery, Medication-related
Osteonecrosis). A full day course given for the following national and state
organizations:
- Texas Society of Oral & Maxillofacial Surgeons
 - Tennessee Society of Oral & Maxillofacial Surgeons
 - New Jersey Society of Oral & Maxillofacial Surgeons
 - Oregon Society of Oral & Maxillofacial Surgeons
 - Colorado Society of Oral & Maxillofacial Surgeons
 - Louisiana Society of Oral & Maxillofacial Surgeons
 - Idaho Society of Oral & Maxillofacial Surgeons
 - Ohio Society of Oral & Maxillofacial Surgeons
 - Illinois Society of Oral & Maxillofacial Surgeons
 - Arizona Society of Oral & Maxillofacial Surgeons

- Wisconsin Society of Oral & Maxillofacial Surgeons
- American Association of Oral & Maxillofacial Surgeons, Annual Meetings

10/1994 New York State Coalition of Nurse Practitioners Annual Meeting “An Overview of Oral Pathology” (invited CE course, half day)

Continuing education courses taken

- 2011-present Over 1000 hours CME or CDE completed (Details included below)
- 1984-2011 Over 1200 hours on registry with the New York State Dental Association

July 2023, Artificial Intelligence and Dental Education, ADEA seminar, 2 hours

July 2022-June 2023, Weekly Seminars and Teaching Rounds, VCU Department of Oral & Maxillofacial Surgery, 50 hrs

May 2023, Local Anesthesia Technique, Concord Seminars, Dr. Brad Towne, 3 hours

April 2023, VSOMS Annual Meeting, Miscellaneous topics, 6 hours

March 2023, Preop Evaluation for Aesthetic Surgery, IAOMS Course, Dr. Majeed Rama, 1 hour

February 2023, Review of Local Anesthesia, Dr. Stanley Malamed, Online Course, 2 hours

February 2023, Pharmacology and Physiology of Local Anesthetics, Dr. Thomas Viola, 3 hours

September 2022, Management of Medical Emergencies, Dr. Dan Pompa, Online Course, 4 hours

July 2021-June 2022, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

May 2022, Review of Local Anesthesia, ACOMS Online Course, 1 hr

May 2022, Medical Emergencies Course, Dr. Steven Booklass, 7 hrs

May 2022, Alumni Teaching Day, Long Island Jewish Medical Center, 7 hrs

April 2022, Strategies to Stop Narcotic Overdose, Dr. Nora Volkow, 1 hr

November 2021, Emergency Training, HIPAA and OSHA update, 2 hrs

October 2021, New York Center for Orthognathic Surgery, Surgical Topics, 6 hrs

October 2021, International Volunteers in COVID Era, American Dental Association, 2 hrs

July 2021, Medicolegal Aspects in Oral and Maxillofacial Surgery, VSSOMS, 2 hrs
May 2021, VCU Faculty Retreat, 10 hrs
February 2021, VCU Annual Mirmelstein Lecture, Ethics and Leadership, 2 hrs
February 2021, American College Oral and Maxillofacial Surgeons Board Review Course, 3 hrs
February 2021, CPR Recertification, American Heart Association, 2 hrs
November 2020, Minimally Invasive Surgery, VCU Dept Oral and Maxillofacial Surgery, 3 hrs
October 2020, The Future of Oral and Maxillofacial Surgery, Cook County Health, 6 hrs
October 2020, AAOMS Annual Meeting (Virtual), 10 hrs
October 2020, Inaugural Inclusive Excellence Week, VCU School of Dentistry, 5 hrs
July 2019 – June 2020, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs
May 2020, The Evolution of Oral and Maxillofacial Surgery, Dr Brian Alpert, 2 hrs
May 2020, Syndromes of the Head and Neck, Dr Stephen Sachs, 2 hrs
April 2020, COVID 19 Update, University of Pennsylvania, 5 hrs
April 2020, COVID and Return to Oral Surgery Practice, AAOMS, 2 hrs
April 2020, Oral and Maxillofacial Pathology, Dr Stephen Sachs, 3 hrs
April 2020, Medication Related Osteonecrosis, Dr Sal Ruggiero, 2 hrs
April 2020, TMJ Surgery, Dr Larry Wolford, 2 hrs
April 2020, Hemifacial Microsomia, Dr Leonard Kaban, 2 hrs
April 2020, Evaluation of Dentofacial Deformities, Dr Robert Relle, 2 hrs
December 2019, VCU Faculty Retreat, 4 hrs
November 2019, Elmer Bear Lecture, Anesthesia Update, 6 hrs
October 2019, Salivary Gland Pathology, VCU School of Dentistry, 1 hr
October 2019, AAOMS Annual Meeting, Various Topics, 4 hrs
October 2019, AAOMS Emergency Airway Simulation Course (BEAM), 8 hrs
May 2019, VCU School of Dentistry Annual Faculty Retreat, 5 hrs
March 2019, Update in Oral & Maxillofacial Surgery, University of North Carolina, 4 hrs
March 2019, Opiates and Pain Management, VCU School of Dentistry, 2 hrs

January 2019, Where to Publish: The Good, Bad and Ugly, VCU Libraries, 2 hrs

January 2019, Renaissance in Local Anesthesia, Dr. Stanley Malamed, 7 hrs

January 2019, Emergency Medicine in Dentistry, Dr. Stanley Malamed, 7 hrs

November 2018, S. Elmer Bear Annual Lecture, 7 hrs

October 2018, #Me Too, VCU School of Dentistry, 2 hrs

October 2018, AAOMS Annual Meeting, Various Topics, 8 hrs

July 2018 – June 2019, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

June 2018, Pediatric ACLS Certification Course, 8 hrs

June 2018, Virtual Reality in Medical Education, VCU Department of Medicine, 2 hrs

June 2018, Tri Net X System for Medical Research, VCU Department of Medicine, 1 hr

May 2018, VCU Annual Faculty Retreat, Miscellaneous Topics, 3 hrs

April 2018, Revere Lecture, Oral Medicine review, 5 hrs

October 2018, Visual Dx and Up to Date Review, VCU School of Dentistry, 1.5 hrs

September 2017, Miscellaneous Topics in Oral Pathology, Virginia Dental Association

July 2017 – June 2018, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

July 2017, CITI Human Research Review, Collaborative Institutional Training Initiative

June 2017, Anesthesia Review, VCU Department of Oral & Maxillofacial Surgery, 6 hrs

May 2017, VCU Department of Surgery, Risk Management in Surgery, 5 hrs

May 2017, All Faculty Retreat, Miscellaneous Topics, 2 hrs

May 2017, IHI Online Courses, Quality Improvement and Leadership Topics, 7 hrs

April 2017, VCU School of Dentistry, Implant Surgery (Annual Revere Lecture), 4 hrs

February 2017, VSSOMS Annual Meeting, Anesthesia Review, 4 hrs

February 2017, Special Topics in Oral & Maxillofacial Surgery, University of Minnesota, 12 hrs

December 2016, All Faculty Retreat, Evidence Based Dentistry, 7 hrs

November 2016, S. Elmer Bear Annual Lecture, VCU Department of Oral & Maxillofacial Surgery, 7 hrs

December 2016, Teaching in a Dynamic Environment, VCU School of Medicine, 1 hr

October 2016, ADA Annual Meeting, Various Topics, 8 hrs

July 2016 – June 2017, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery 50 hrs

May 2016, All Faculty Retreat, VCU School of Dentistry, 10 hrs

April 2016, 7th Annual Revere Lectureship, VCU School of Dentistry, 6 hrs

March 2016, Overview of the ADA: Negotiating the Positives and Pitfalls, VCU School of Dentistry, 2 hrs

March 2016, ADEA Annual Meeting (various topics), 10 hrs

December 2015, All Faculty Retreat, CODA Prep, VCU School of Dentistry, 7 hrs

December 2015, S. Elmer Bear Annual Lecture, Orthognathic Surgery, VCU School of Dentistry, 7 hrs

September 2015, VDA Annual Meeting, Emergencies Update, 3 hrs

July 2015, Introduction to Behavioral Sciences Curriculum, VCU School of Dentistry, 3 hrs

July 2014 – June 2015, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

June 2014 – July 2015, MCV Hospitals Required Compliance Training, 10 hrs

May 2015, Southeast Society Oral and Maxillofacial Surgeons, 7 hrs

May 2015, All Faculty Retreat, VCU School of Dentistry, 4 hrs

April 2015, Ambulatory Anesthesia, Virginia Society Oral and Maxillofacial Surgeons, 4 hrs

March 2015, IRB Training (CITI Program), 6 hrs

March 2015, 6th Annual Revere Lectureship, Facial Pain Management, VCU School of Dentistry, 4 hrs

December 2014, Calibrating Faculty on Current Caries Management Strategies: What Can We Agree On? VCU School of Dentistry, 4 hrs

December 2014, All Faculty Retreat, VCU School of Dentistry, 6 hrs

November 2014, An Odyssey into the Oral and Maxillofacial Pathology Data Bank, VCU School of Dentistry, 1 hr

October 2014, Humanism and Ethics in Health Care Education, VCU School of Dentistry, 1 hr

October 2014, S. Elmer Bear Annual Lecture, Medication Related Osteonecrosis, VCU School of Dentistry, 6 hrs

October 2014, Variation in Periodontal Diagnosis and Treatment Planning Among University Faculty, VCU School of Dentistry, 1 hr

June 2013 – July 2014, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

May 2014, All-Faculty Retreat, VCU School of Dentistry, 7 hrs

April 2014, Critical Appraisal of Research, VCU School of Dentistry, 1 hr

April 2014, Analysis of Value: The Dull Hypothesis, VCU School of Dentistry, 1 hr

April 2014, 5th Annual Revere Lectureship, Oral Pathology, VCU School of Dentistry, 7 hrs

February 2014, Mirmelstein Ethics Lecture, VCU School of Dentistry, 1 hr

January 2014, Evidence-Based Dentistry: What Your Students Are Learning, VCU School of Dentistry, 1 hr

December 2013, All Faculty Retreat, VCU School of Dentistry, 7 hrs

November 2013, Elmer Bear Lecture, VCU School of Dentistry, 7 hrs

November 2013, Nobel Clinician Software Overview, VCU School of Dentistry, 3 hrs

November 2013, Elmer Bear Annual Lecture, Implants, 7 hrs

October 2013, AAOMS Annual Meeting, Various Topics, 16 hrs

October 2013, Human Papillomavirus Associated Cancers: Current Approaches to Alleviating Disease and Future Therapies, VCU School of Dentistry, 1 hr

September 2013, Regulations Governing Dental Practice, VCU School of Dentistry, 3 hrs

July 2012-June 2013, Miscellaneous VCU School of Dentistry offerings in faculty development, 14 hrs

July 2012-June 2013, Weekly Seminars and Rounds, Department of Oral & Maxillofacial Surgery, 50 hrs

December 2012, VCU School of Dentistry Faculty Retreat, 4 hrs

September 2012, AAOMS Annual Meeting, Various topics, 16 hrs
August 2012, Comprehensive Review in Oral & Maxillofacial Surgery, University of Minnesota, 18 hrs
May 2012, VCU School of Dentistry All Faculty Retreat, 14 hrs
February 2012, Virginia Society of Oral & Maxillofacial Surgeons Annual Meeting, 2 hrs
December 2011, VCU School of Dentistry Faculty Development Retreat, 7 hrs
November 2011, VCU School of Dentistry, Local Nerve Injuries, 1 hr
November 2011, Elmer Bear Lecture, Orthognathic Surgery, 7 hrs
September 2011, American Association of Oral and Maxillofacial Surgeons Annual Meeting, Various topics, 14 hrs
July 2011 – June 2012, MCV Hospitals Required Compliance Training, 10 hrs
July 2011 – June 2012, Weekly Grand Rounds, Assorted Topics, VCU Department of Oral & Maxillofacial Surgery , 50 hrs

Development Workshops attended

2014-2016 Attended multiple workshops sponsored by the VCU School of Medicine, Office of Faculty Affairs

2011-2013 Attended multiple courses at the Center for Teaching Excellence of Virginia Commonwealth University School of Dentistry and School of Medicine

TEACHING, ADVISING AND MENTORING.

Course director

ORSG 739: D3 Oral Surgery Clinical Rotation (year-long course)

Course Director 2011-2021

ORSG 749: D4 Rotation in Oral and Maxillofacial Surgery (year-long course)

Course Director 2011-2021

ORSG 731: Medical Management and Emergency Care for the Dental Patient

Course Director 2012, 2019, 2020

ORSG 622: Introduction to Oral and Maxillofacial Surgery

Course Director 2011-2021

ORSG 700: Selective in Oral and Maxillofacial Surgery

Course director 2014-2021

Lecturer

ORSG 622 – Intro to Oral Surgery – multiple topics, 9 hrs

ORSG 731 – Medical Management and Emergency Care of the Dental Patient – multiple topics,
8 hrs

DENH 401 – Lecture on scope of oral surgery practice, 2 hrs

PHTX 441 – Lectures on Nitrous Oxide – 2 hrs

PROS 626 – Lectures on implant surgery, 2 hrs

DENS 515 and 516 – Lecture and case studies on History and Physical Exam, 3 hrs

DENS 516 – Lecture series on local anesthesia, 10 hrs

DENS 516 – Lecture on risk management, 1 hr

ORSG 733 – Principles of Oral and Maxillofacial Surgery – multiple topics, 5 hrs

ORSG 532 – Lectures to resident staff, multiple topics, 4 hrs

Clinical

ORSG 739 and ORSG 749 (D3 and D4 rotations in Oral Surgery) – 1400 clinic hrs
average yearly 2011-2021

YEARLY SEMINARS TO GENERAL PRACTICE RESIDENT STAFF (1988-2001)

- Trauma: Dentoalveolar and Soft Tissue
- Trauma: Mandibular Fractures
- Trauma: Maxillary and Midface Fractures
- Exodontia: Routine and Surgical Techniques
- History, Physical Assessment and Hospital Records
- Surgery for Endosseous Implants
- Coagulation and Bleeding Disorders
- An Overview of Orthognathic Surgery
- A Clinicopathologic Review of Tumors in Children
- Diagnosis and Management of Common Mucosal Pathology
- Differential Diagnosis of Trismus
- A Clinicopathologic Review of Giant Cell Lesions
- Differential Diagnosis of Central Lesions of the Jaw Bones
- Miscellaneous Clinicopathology Conferences

Development of innovative teaching materials

- Initiated hands-on suturing lab for ORSG 622
- Airway management practicum (elective activity through Oral Surgery Clinical Interest Group)
- Wide adaptation of case-based teaching initiatives
- Developed a Guide to Clinical Rotation document for D3 students
- Developed a series of teaching videos on multiple topics, including Oral Surgical Instrumentation, Nitrous Oxide Administration, Head and Neck Exam, Positioning for Exodontia, and Orientation to Oral Surgery Clinic Rotation
- Developed a Selective/Elective course in Oral and Maxillofacial Surgery for D4 students
- Developed a video review, Medical Emergencies in the Dental Office

Mentoring

- Mentor for small groups in literature review course, D3 year (see also Research Advising and Mentoring)
- Mentor for SAEP (Summer Academic Enrichment Program) given yearly at VCU School of Dentistry)

Teaching Awards

- 2017 ADEA Specialty Professor of the Year Award (conferred by the students of VCU School of Dentistry)
- 2015 Dean's Faculty Excellence Award for Didactic Teaching
- 2015 Class of 2015 Award for Excellence in Specialty Teaching
- 2013 ADEA Specialty Professor of the Year Award (conferred by the students of VCU School of Dentistry)

SERVICE ACTIVITIES
