LABORATORY SERVICES

**CURRICULUM VITAE**

**DUDLEY SETH DANOFF, M.D., F.A.C.S.**  
**DIPLOMATE – AMERICAN BOARD OF UROLOGY**  
**FELLOW – AMERICAN COLLEGE OF SURGEONS**

**College:**

Princeton University. Phi Beta Kappa; Summa Cum Laude; Society of Sigma XI, (Scientific Honorary 1959.)

**Medical School:**

Yale University School of Medicine. Alpha Omega Alpha, Medical Honorary Society. Clinical Fellowship. Pediatric Surgery, Boston Children's Hospital, 1963.

**Surgical Training:**

Internship: Surgery, Columbia-Presbyterian Medical Center, New York, 1963-64.

**Residency:**

Surgery: Assistant Resident on Surgery, Yale-New Haven Medical Center, New Haven, Connecticut, 1964-65.

Urology: Urologic Surgery, Squier Urologic Clinic, Columbia-Presbyterian Medical Center, New York, 1965-69.

**Appointments:**

Attending Urologic Surgeon – Cedars-Sinai Medical Center, Los Angeles, California.

Attending Urologic Surgeon – Clinical Facility, Department of Surgery Urology, University of California at Los Angeles, California, Ret.

Attending Physician, Surgical Service – Veterans Administration, Los Angeles, California, Ret.

**Military:**

Major, United States Air Force, USAF Medical Center, Kessler Air Force Base, Mississippi.

**Professional Societies:**

Alpha Omega Alpha, Honorary Medical Society  
Fellow, American College of Surgeons (F.A.C.S.)  
Diplomate, American Board of Urology  
American Fertility Society  
Society of Sigma XI  
Society of Air Force Clinical Surgeons  
American Urologic Society (A.U.A.)  
Societe Internationale D’Urologie  
Transplant Society of Southern California  
Board of Governors, Los Angeles County Medical Association  
American Urologic Association, Western Section  
Phi Beta Kappa  
International College of Surgeons  
Society of Minimally Invasive Surgery  
Columbia-Presbyterian Medical Center Alumni Society  
Society of Laparoendoscopic Surgery

**Previous Positions:**

Assistant Surgeon  
Tulane University School of Medicine  
Department of Urology  
New Orleans, Louisiana 1970

Consultant in Urology  
New Orleans Veterans Administration Hospital of New Orleans  
New Orleans, Louisiana 1970

Assistant in Urology  
Columbia-Presbyterian Hospital  
New York, New York 1969

Assistant in Urology  
Columbia University College of Physicians and Surgeons  
New York, New York 1969

**Philanthropic and Civic Service Organizations:**

American Friends of the Hebrew University, Trustee; Member, Board of Governors; Chairman, Medical Division; President, Western States Region; Chairman, Executive Committee of the Board of the Western States Region; National Council of Trustees and Board of Directors; International Board of Directors, Hebrew University.

American Technicon Society (Israel Institute of Technology)

Board of Directors, Guardian of Courage (Tel-Hashomer Hospital, Israel)

American Physicians Fellowship (Israel Medical Association)

**Philanthropic and Civic Service Organizations, Contd:**

Gesher Foundation – National Executive Board

Phi Delta Epsilon (Medical Service Fraternity), Member Committee; Past President

Member, National Leadership Cabinet, United Jewish Appeal (U.J.A., U.J.W.)

Advisory Committee, Los Angeles Jewish Federation Council, Medical Division; Past President.

Christian Children's Fund – Board of Directors

Founder, Cedars-Sinai Medical Center, Los Angeles

Anti-Defamation League, Pacific Southwest Board of Trustees

Chairman, American Friends of Assef Harofeh Medical Center, Israel

Beverly Hills Education Foundation (B.H.E.F.), Board of Directors

President, American Committee, Shaare Zedek Medical Center, Jerusalem

Senior Attending Urologist, Los Angeles Free Clinic (Pro Bono services), 1990-Present.

**Clubs:**

Yale Club of Southern California

Princeton Club of Southern California and New York, Regional Chairman Southern California

Professional Men's Club, Los Angeles, California; Past President

**Honors:**

Phi Beta Kappa, Princeton University

Summa Cum Laude, Princeton University

Society of Sigma XI, Scientific Honorary Society

Juday L. Magnes Medalist, Hebrew University of Jerusalem, 1982

Alpha Omega Alpha, Medical Honorary Society

Anti-Defamation League, Outstanding Achievement and Community Service Award, 1988

Sheba Medical Center, Israel – Albert Schweitzer Award, 1993

Israel Cancer Research Foundation (I.E.R.F.) Excellence in Medicine Award, 1998

**Honors, Contd:**

Appointed Urology Surgeon-in-Chief to His Majesty Bhumibol Adulyades, King of Thailand, 2002

**Endowed Chairs:**

The Dudley Seth Danoff, M.D., Chair in Urologic Research at the Hebrew University of Jerusalem. Endowed June 1991.

**Research Interests/Publications/Teaching:**

“Work Bench-Extracorporeal Renal Surgery”  
16mm. color sound motion picture photographed at Cedars-Sinai Medical Center, Los Angeles, California, 1978

Journal of Laparoendoscopic Surgery, Volume 1, No. 1, November 1990

Video – “Technique for Laparoscopic Pelvic Lymphadenectomy”  
June 1991

**Research Interests/Publications/Teaching, Contd:**

Laser Lithotripsy of Urinary Stones-Our Experience with 87 Cases

D. Danoff, et al., presented at the International Congress of Lasers and Optics in Medicine, Budapest, Hungary, July 1991, and reprinted in the Journal of Endourology, Fall of 1991

“Our Technique for Laparoscopic Pelvic Lymphadenectomy”

Presented at the 9<sup>th</sup> World Congress of Endourology, Vienna, Austria, June 1991

Lecture – “Laparoscopic Pelvic Lymphadenectomy in the Treatment of Prostate Carcinoma”

Presented at the Shaare Zedek Hospital, Department of Urology/Surgery, Jerusalem, Israel, June 1991

“Laparoscopic Pelvic Lymphadenectomy – Applications in Urology”

Presented at the Society for Minimally Invasive Therapy, Boston, Massachusetts, November 1991

Course Director – “Interventional Laparoscopy for the Urologist”

Multiple training seminars, Eisenhower Medical Center, Annenberg Research Center, Rancho Mirage, California, 1991-1992

Faculty – “Advanced Laparoscopy for Urologists”

Houston Laser Institute, Orlando, Florida, March 1992, and Torrance, California, April 1992

Faculty – “Hands-On Laparoscopy Training Seminar for Urologists”

Sierra Medical Center and Beaumont Army Medical Center, El Paso, Texas, April 1992

Course Director – “Interventional Advanced Laparoscopy for Urologists – A Training Seminar”

Sponsored by Puerto Rico Urologic Association, San Juan, Puerto Rico, April 1992

Superpotency, by Dudley Seth Danoff, M.d., F.A.C.S., Warner Books, New York, New York, 1992.

Visiting Professor, Department of Urology, Rambam Medical Center, Tehnion University, Haifa, Israel, August 9-10, 1992 (Lectures and O.R. Demonstration of Laparoscopic Surgery)

Visiting Professor, Sapir Medical Center, Meir General Hospital and Beilison Medical Center, Sackler School of Medicine, Tel Aviv University, Israel, August 18-21, 1992

Visiting Professor, University of British Columbia, Faculty of Medicine, Division of Urology, Vancouver, British Columbia, October 1992

Textbook, Laparoscopic Surgery, Chapter: “Laparoscopic Lymphadenectomy”, Ballatine, Leahy and Modein; W. B. Saunders, 1994

Superpotenz: Wie Man Sie Erlangt, Gerbarught Und Ein Leben, by Dr. Dudley Seth Danoff; Bettendorf Publishers, Munchen, Germany, 1996

**Research Interests/Publications/Teaching, Contd.:**

Impotence, It's Reversible, by Dudley Seth Danoff, M.D., F.A.C.S. and Steven K. Wilson, M.D., F.A.C.S., Southwest Impotency Center, Van Buren, AR , 1999

Superpotency (Polish translation and updated edition) – by Dudley Seth Danoff, M.D., F.A.C.S., Edited by Jan M. Fisor Kobieta Publishing, Warsaw, Poland, 2001.

Penis Power – The Ultimate Guide to Male Sexual Health – by Dudley Seth Danoff, M.D., F.A.C.S. AuthorHouse Books, Bloomington, Indiana, 2010.

**Audiovisual Presentations:**

Laparoscopic surgical Procedures in Urology Porcine Model

15 min. teaching video. Produced September 1990. Cedars-Sinai Medical Center, Los Angeles, California. First presented at Institute for Advancement of Laser Surgery, Phoenix, AZ, October 1990.

Laparoscopic Pelvic Lymphadenectomy

11 min. teaching video. Produced July 1991, Los Angeles, California. First presented at American College of Surgery, November 1991.

Laparoscopic Varicocelelectomy and Cryptorchidectomy

9 min. teaching video. Produced October 1991, Los Angeles, California. First presented November 1991.

Complications and Problem Solving in Laparoscopic Urologic Surgery

9 min. teaching video. Produced January 1992, Los Angeles, California. First presented at Interventional Laparoscopy in Urology Course, Palm Springs, California.

Laparoscopic Bladder Neck Suspension in Porcine Model

6 min. teaching video. Produced January 1992, Los Angeles, California. First presented at European Associated for Endoscopic Surgery, AMC Medical Center, Amsterdam, Netherlands.

Editorial Advisory Board, Weider Publications – “Men’s Fitness,” “Muscle & Fitness,” “Shape.” “Senior Golfer,” 1996 to present.

**Teaching Experience**

December 5, 1991: Urology Grand Rounds. Laparoscopic Pelvic Node Dissection. Harbor-UCLA Medical Center, Los Angeles, CA.

January 11-12, 1992: Interventional Laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc., Annenberg Center at Eisenhower Medical Center, Palm Springs, CA.

January 30, 1992: Laparoscopic Surgery in Urology. State of the Art Course, UCLA Medical Center, Los Angeles, CA. Guest Faculty.

February 8-9, 1992: Laparoscopic Techniques in Urology, Rambam Medical Center, Haifa, Israel. Course Director.

**Teaching Experience, Contd:**

- March 7-8, 1992: Laparoscopy for the Urologist. Educational Course, Houston Laser Institute, Orlando, FL. Course Director.
- March 14-15, 1992: Interventional laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc., Annenberg Medical Center, Palm Springs, CA. Course Director.
- March 21-22, 1992: Laparoscopy for the Urologist. Houston Laser Institute. Torrance, CA. Course Director.
- April 18, 1992: Laparoscopy for the Urologist. Houston Laser Institute. Orlando, FL. Course Director.
- May 30-31, 1992: Interventional Laparoscopy for the Urologist. Cedars-Sinai Medical Center, Los Angeles, CA.
- June 13-14, 1992: Laparoscopy for the Urologist. Houston Laser institute. Hawaii. Course Director.
- June 28, 1992: Interventional Laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc. Annenberg Center at Eisenhower Medical Center, Palm Springs, CA. Course Director.
- July 15, 1992: Laparoscopy for the Urologist. Cedars-Sinai Medical Center.  
August 29, 1992  
September 19, 1992  
October 10, 1992  
Los Angeles, CA. Course Director.
- October 31, 1992: California Association of Operating Room Technologists – “Laparoscopic Pelvic Lymphadenectomy”, Los Angeles, CA. Guest Lecturer.
- November 11, 1992: “Advanced Laparoscopy for the Urologist”, Cedars-Sinai  
December 12, 1992  
January 26, 1993  
Medical Center, Los Angeles, CA.
- February 16, 1993: California Association of Operating Room Technologists – “Laparoscopic Pelvic Lymphadenectomy”, Los Angeles, CA. Guest Lecturer.
- February 20, 1993: “Advanced Laparoscopy for the Urologist”, Cedars-Sinai  
March 27, 1993  
Medical Center, Los Angeles, CA.
- April 30, 1993: California Association of Operating Room Technologists – “Laparoscopic Pelvic Lymphadenectomy”, University of California at San Francisco, San Francisco, CA. Guest Lecturer.

**Teaching Experience, Contd:**

- May 29, 1993: California Association of Operating Room Technologists – “Laparoscopic Pelvic Lymphadenectomy”, University of California at Irvine, Irvine, CA. Guest Lecturer.
- August 2-5, 1993: Tel Hashomer Medical Center, Department of Urology. Tel Aviv, Israel. Visiting Professor.
- August 7-10, 1994: Department of Surgery-Urology, Shaare Zedek Hospital, Jerusalem, Israel. Visiting Professor.
- August 12-13, 1994: Department of Urologic Surgery, Chaim Sheba Medical Center, Israel. Visiting Professor.
- January 1996: Magazine Article – “Prostate Cancer – The Good News.” Beverly Hills 213 Magazine, January 24, 1996, Vol. 14, No. 4.
- April 1996: “Prostate Cancer – What’s New and Exciting.” Pomona Valley Hospital, Pomona, CA. Guest Lecturer.
- October 1996: “Diabetes and Sexual Dysfunction – The Urologist’s Role.” Cedars-Sinai medical Center Diabetes Forum, Los Angeles, CA. Guest Lecturer.
- November 1996: World Meeting ISIR (International Society Impotence Research), Presentation: “The Tower Urology Model for the Treatment of Male Sexual Dysfunction”, San Francisco, CA. Guest Lecturer.
- February 1997: “Carcinoma of the Prostate – There is Hope.” Newport Beach, CA. Chairman, Inaugural North American Conference, Shaare Zedek Medical Center, Jerusalem, Israel. Guest Lecturer.
- October 1997: “Sex After Cerebrovascular Accident.” Symposium, Palm Springs Stroke Center, Palm Springs, CA. Guest Lecturer.
- November 1997: “Diabetes, An Equal Opportunity Disease – Sexual Issues for Men”, American Diabetes Association Symposium, Los Angeles Chapter, Universal City, CA. Guest Lecturer.
- September 1999: “New Approaches in Urologic Treatments – Erectile Dysfunction and Prostate Cancer”, Conference for the Primary Care Physician, Los Angeles, CA. Guest Lecturer.
- October 1999: “Prostate Cancer Treatment and Urinary Incontinence”, Pfizer Forum for the Physician, Santa Monica, CA. Guest Lecturer.
- June 2001: “Male Hypogonadism: Prevalence, Diagnosis and New Treatment Strategies”, St. Louis University School of Medicine (SLU). Guest Lecturer.

**Teaching Experience, Contd:**

- February 2002: Visiting Professor, Mahidol University Faculty of Medicine, Siriras Hospital, Bangkok, Thailand.
- October 2007: “What you should know about prostate carcinoma.”, ICRF – Guest Lecturer, Los Angeles, CA.

**Clinical Research:**

- Effect of Prostalagin-E2 Gel, including erections for patients post-radical prostatectomy (2000).
- Apomorphine sublingual Phase III – oral treatment for erectile dysfunction (2000).
- Detrol – Quality of life study (2001).
- Ditropan-XL – Quality of life study (2001).
- Interneuron trospium chloride in treatment of overactive bladder (Protocol IP 631-003), (2001).
- Alpha Phase IV comparison Ditropan-XL to Detrol-LA (Protocol C 2001-019), (2002).
- Yamanuchi Protocol 905-CL-020. Nocturia (2002).
- Detrol-LA – Quality of life study (2002).
- Roche Phase II Treatment for Stress Incontinence. CRC (2002).
- Pharmacia, Detrol-SR. Treatment for Nocturia Phase III. CRC (2002).
- GSK Dutasteride in prostate cancer prevention. Phase III subinvestigator (2002).
- Alza oral treatment for rapid ejaculation. Principal Investigator (2002).
- Lilly Icons Cialis open label treatment for ED. Principal Investigator. CRC (2003).  
Principal Investigator.
- Pfizer Viagra open label patient satisfaction. Principal Investigator. CRC (2003).  
Principal Investigator.
- Yamanuchi overactive bladder study, Vesicare, Phase III. Subinvestigator. CRC (2003).  
Subinvestigator.
- An evaluation of Attenuex™ Intravesicle System in the management of female patients with stress urinary incontinence. Subinvestigator. Solace (2006). Subinvestigator.
- Evaluation of the effectiveness of pre-urethral Botox™ instillation in the treatment of idiopathic urinary incontinence. Subinvestigator. Allergan (2007). Subinvestigator.

**Clinical Research, Contd:**

Spectrum bladder cancer study to evaluate intravesical Eoquin as a surgical adjuvant in the treatment of non-invasive bladder cancer (TCC) post-transurethral resection (TURBT). Principal investigator. (2008).

Treatment of bacterial prostatitis. Bristol Meyer Squibb. Subinvestigator. (2008)

Treatment for overactive bladder. Pfizer. Subinvestigator. (2008)

Cetrorelix pamoate use in patients with symptomatic benign prostate hyperplasia (BPH), safety and efficacy assessment. Clinical Phase III Study. Principal Investigator. (2008)

Double blind, randomized, placebo controlled trial of the safety and efficacy of Ozarelis in patients with LUTS due to BPH. Principal Investigator. (2009)

Safety and efficacy trial of oral Flibanserin (50mg. and 150mg.) once daily in men aged 25-64 with hypoactive sexual desire disorder (HSDD), randomized, double blind, placebo controlled. Principal Investigator. (2009)

Randomized, controlled new drug trial of intermittent androgen deprivation therapy vs. continuous androgen deprivation therapy with Leuprolide or new drug in patients with carcinoma of the prostate with biochemical (PSA) failure after localized therapy. Principal Investigator. (2009)

Double blind, randomized, placebo-controlled study evaluating treatment with topical oxybutynin gel in patients with urinary frequency, urgency and incontinence. Principal Investigator (2009).

LABORATORY SERVICES

To Whom It May Concern:

Thank you for requesting my services. Enclosed you will find my Curriculum Vitae for your review. My fee schedule is as follows:

1. INITIAL MEDICAL RECORD REVIEW: \$550.00 (five hundred fifty dollars) per hour with a two-hour minimum. Subsequent record review is \$550.00 per hour.
2. If the case is deemed suitable to proceed, a retainer of \$3,500.00 (three thousand five hundred dollars) is required and will be applied as a credit balance at the time of my trial testimony and is non-refundable.
3. DEPOSITION TESTIMONY: \$950.00 (nine hundred fifty dollars) per hour with a two hour minimum of \$1,900.00 (one thousand nine hundred dollars) paid in advance.
4. TRIAL TESTIMONY: Minimum of \$5,500.00 (five thousand five hundred dollars) per half-day or any part thereof, excluding travel expenses.

If I may be of assistance to you in urological/medical legal matters, please contact me at the above-referenced number.

I look forward to working closely with you.

Sincerely,

Dudley Seth Danoff, M.D., F.A.C.S.

Please sign below and return to me with your initial check.

I, the undersigned, agree to pay the above rates as stated.
