

**GERARD JOSEPH GIANOLI, M.D., F.A.C.S.**  
*Curriculum Vitae (3/26/2015)*

**BUSINESS ADDRESS:**

The Ear and Balance Institute  
1401 Ochsner Blvd.  
Suite A  
Covington, Louisiana 70433  
(985) 809-1111  
(985) 809-1119 (fax)  
Email address: [ggianoli@gmail.com](mailto:ggianoli@gmail.com)

**BACKGROUND**

Date of birth: April 2, 1961  
Place of birth: New Orleans, Louisiana  
Citizenship: U.S.  
Marital status: Married to Mary Lee Cherry, M.D.  
Children: Gerard Joseph Gianoli, II, Grace Victoria Gianoli, Mary Claire Gianoli

**POSITIONS**

Tulane University School of Medicine New Orleans, Louisiana Department of Otolaryngology - Head and Neck Surgery	
Clinical Associate Professor	2000-
Associate Professor	1998-2000
Assistant Professor	1992-1994, 1995-1998
Department of Pediatrics	
Clinical Associate Professor	1998-
Clinical Assistant Professor	1993-1994, 1995-1998
University Senate	
Senator	1998-2000
General Medical Faculty	
Secretary-Treasurer	1997-1998
Institutional Graduate Medical Education Advisory Committee	
Member	1992-1994
Admissions Committee	
Interviewer	1992-1994, 1995-2000
Curriculum Committee	
Member	1985-1986
Subcommittee for course review – Foundations in Medicine	1998-1999
Departmental Review Committee – Anatomy	

Member Nominating Committee	1999
Member Children's Special Health Services Dept. of Health and Hospitals Office of Public Health State of Louisiana Staff Otologist	2000-2002     1993-1994, 1996-1999
The Ear and Balance Institute Vice president President	2000-2009 2009-
Vesticon Board of Advisors, Member	2005-
Pontchartrain Surgery Center (OLOL/Pontchartrain Surgery Center) Chief Executive Officer Board of Directors, Member Board of Managers, Member	2007-2012 2007-2012 2013-

**EDUCATION**

Fellowship: Otology, Neurotology and Skull Base Surgery Michigan Ear Institute Farmington Hills, Michigan	1994-1995
Residency: Otolaryngology - Head and Neck Surgery Tulane University Affiliated Hospitals New Orleans, Louisiana	1988-1992
Residency: Pediatrics Tulane University Affiliated Hospitals New Orleans, Louisiana	1987-1988
Residency: General Surgery Tulane University Affiliated Hospitals New Orleans, Louisiana	1986-1987

Medical:

Tulane University Medical School 1982-1986  
New Orleans, Louisiana  
Degree: M.D.

College:

Tulane University Engineering School 1979-1982  
New Orleans, Louisiana  
Major: Biomedical Engineering  
Degree: B.S.E.

**LICENSURE**

Louisiana State Board of Medical Examiners 1986-  
License Number: 018767

State of Michigan Board of Medicine 1994-1997  
Permanent I.D. Number: 4301063219

**BOARD CERTIFICATION**

Otolaryngology-Head and Neck Surgery 1993  
American Board of Otolaryngology

Neurotology Subspecialty  
Initial Certification 2004-2014  
Re-certification 2014-2024  
American Board of Otolaryngology

**HOSPITAL AFFILIATIONS**

Tulane University Hospital 1992-1994,  
1995-2001

New Orleans, Louisiana  
Operating Room Committee, Chairman 1998-2000  
Operating Room Committee, Member 1995-1998  
Quality Care Committee, Member 1998-2000  
Executive Committee, Member 1999-2000  
Nominating Committee 1999-2000

Medical Center of Louisiana at New Orleans 1992-1994,  
1995-2001

(Formerly Charity Hospital of New Orleans)  
New Orleans, Louisiana

Laser Credentials Committee Member	1998-1999
Eye Ear Nose and Throat Hospital New Orleans, Louisiana	1992-1994, 1995-1997
Mercy-Baptist Hospital New Orleans, Louisiana	1992-1994, 1995-1996
Children's Hospital New Orleans, Louisiana	1992-1994, 1995-1998
Lakeview Regional Medical Center Mandeville, Louisiana	1996-2001
Summit Hospital/Columbia Medical Center Baton Rouge, Louisiana	1996-2003
North Oaks Hospital Hammond, Louisiana	2000-
Blood and Procedures Committee	2002-2003
Surgery Steering Committee	2004-2005
Pontchartrain Surgery Center (OLOL/Pontchartrain Surgery Center) Covington, Louisiana	2008-
Fairway Medical Surgical Hospital Covington, Louisiana	2013-2014
Inactive Staff	2014-

**PROFESSIONAL SOCIETIES**

American Board of Otolaryngology Alternate Guest Board Examiner	2000
Guest Board Examiner	2001
Guest Board Examiner	2002
American Academy of Otolaryngology - Head and Neck Surgery Fellow	1994-
Member	1986-1994
Task Force on New Materials Member	1994-1997

SIPac Editorial Committee Member	1998-2004
Medical Informatics Committee Member	2000-2003
Facial Nerve Disorders Committee Member	2000-2003
Association American of Physicians and Surgeons Member	2002-
American College of Surgeons Fellow	1998-
Associate Fellow	1995-1998
Initiate	1998
American Neurotology Society Fellow	2007-
Associate Member	1995-2007
Socio-Economic Committee Member	2007-2012
Special Sensory Committee, Balance Subcommittee Member	1996-2001
Consultant	2001-2003
Constitution and Bylaws Committee Chairman	1996-2003
ENG Training Course/Balance Course Director	1997-2001
Faculty	1997-2004
CME Committee Member	2003-2005
Greater New Orleans Society of Otolaryngology-Head and Neck Surgery Member	1997-2002
Louisiana Society of Otolaryngology - Head and Neck Surgery Member	1992-
Louisiana State Medical Society Member	1997-2007
North American Skull Base Society Candidate Member	1997-1998
Member	1998-2004
Orleans Parish Medical Society Member	1992-2001

Otosclerosis Study Group Member	1998-
Prosper Meniere Society Member	1995-
Society of University Otolaryngologists - Head and Neck Surgeons Member	1995-2001
Young Academicians Committee Member	1996-1999
St. Tammany Parish Medical Society Member	2000-2007
American Laryngological, Rhinological and Otological Society "The Triologic Society" Member	2005-
Publishing Committee, Member	2007-2013
American Otological Society Active Member	2007-
Politzer Society, Inc. Active Fellow	2007-
<b>EDITORIAL COMMITMENTS</b>	
Laryngoscope Associate Editor	1997-2004
Reviewer	1997-
Editorial Board	2011-
Laryngoscope Interactive Case Studies ( <a href="http://www.laryngoscope.com">www.laryngoscope.com</a> ) Editor-in-Chief	1997-2004
Southern Medical Journal Guest Reviewer	1997-
American Academy of Otolaryngology – Head and Neck Surgery SIPac Editorial Committee Member	1998-2004
Otolaryngology – Head and Neck Surgery Editorial Review Panel	1999-

eMedicine Online Textbook – Otolaryngology and Facial Plastics <a href="http://emedicine.medscape.com/">http://emedicine.medscape.com/</a> Managing Editor - Otology Section	1999-
OTOHNS.NET (www.otohns.net) Advisory Board Member	2000-
Journal of Symptom and Diagnosis Validity (not yet in print) Editorial Board Member	2000-2002
Otology & Neurotology Reviewer Editorial Board	2001- 2012-
BMC Ear Nose and Throat Disorders Guest Reviewer	2002-

Academic Scholarship Tulane University	1979

Decennial Scholarship 1978  
University of New Orleans

**VISITING PROFESSORSHIP/FEATURED SPEAKER**

Guest Expert – Grand Rounds Presentation 2014  
University of Chicago  
Department of Psychiatry  
Chicago, Illinois  
January 30, 2104

American Speech-Language Hearing Association 2011  
Annual Meeting  
San Diego, California  
November 17-19, 2011

Oklahoma Academy of Otolaryngology 2011  
Annual meeting  
Oklahoma City, Oklahoma  
May 20, 2011

Michigan Ear Institute 2010  
Annual Spring Conference  
Traverse City, Michigan  
June 5-6, 2010

University of Alabama at Birmingham 2002  
Dept. of Otolaryngology-Head and Neck Surgery  
Birmingham, Alabama  
June 26, 2002

Vanderbilt University 1999  
Dept. of Otolaryngology-Head and Neck Surgery  
Nashville, Tennessee  
October 18, 1999

**GRANTS**

“Analysis of a Clinical Database as a Means to Validate 2012-2013  
Non-invasive Assessment of Intracranial Pressure Using

- the Cerebral and Cochlear Fluid Pressure (CCFP) Analyzer”  
Principal Investigator  
NASA/Wyle Laboratories  
Houston, Texas 77058
- “Comprehensive Positioning Management System” (Epley Omniax) 2005-2008  
Co-Investigator  
National Institute of Health Grant  
Grant # 2 R44 DC006157-02
- “Clinical Research in Vestibular Disorders” 1999-2000  
Co-Investigator  
EENT Foundation Grant  
New Orleans, Louisiana
- “Evaluation of Treatment for Bell’s Palsy” 1999  
Principal Investigator  
GlaxoWellcome Inc.  
Research Triangle Park, NC 27709
- “Triple Semicircular Canal Occlusion vs. Labyrinthectomy in the Cat: Functional and Vestibular Testing” 1994-1995  
Principal Investigator  
Providence Hospital and Medical Centers  
16001 Nine Mile Road  
Southfield, Michigan 48037
- “Comparison of Adhesions/Scarring in Tympanoplasty Surgery: Hyaluronic Acid Foam vs Gelfoam.” 1994-1995  
Co-Investigator  
Genzyme Corporation  
One Kendall Square  
Cambridge, Massachusetts 02139-1562
- “Feasibility Study for Perioperative use of Erythropoietin in Head and Neck Surgery” 1993-1994  
Principal Investigator  
Ortho Biotech  
8055 Cambridge Court  
Houston, Texas 77054
- “Preceptorship in Head and Neck Surgery” 1993  
Ortho Biotech  
8055 Cambridge Court

Houston, Texas 77054

“Evaluation of Ultrasonography for Paranasal Sinus Disease”

1990-1991

Principal Investigator  
ATMOS Medizintechnik GmbH & Co.  
Ludwig-Kegel-Strasse 16  
D-7825 Lenzkirch/W. Germany

### **RESEARCH SABBATICAL**

Univ. Hals-Nasen-Ohren Klinik,  
Klinikum der Johannes Gutenberg Universitat  
Mainz, F.R. Germany

1990

Purpose: Study ultrasonography of the head and neck

### **COURSE DIRECTOR**

*Otolaryngology for the Primary Care Physician*  
Department of Otolaryngology - Head and Neck Surgery  
Tulane University Medical Center  
Le Meridien Hotel  
New Orleans, Louisiana  
February 5, 1994

*American Neurotology Society - ENG Training Course*  
Chateau Sonesta Hotel  
New Orleans, Louisiana  
March 6-7, 1998

*Evaluation of Dizziness in the Litigating Patient*  
Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
New Orleans, Louisiana  
September 26-29, 1999

*American Neurotology Society – The Balance Course:  
Evaluation and Testing of the Dizzy Patient*  
Hilton Riverside  
New Orleans, Louisiana  
September 23-24, 1999

*American Neurotology Society – The Balance Course:*

*Evaluation and Testing of the Dizzy Patient*

Washington, D.C.

September 22-23, 2000

*Evaluation of Dizziness in the Litigating Patient*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

Washington, D.C.

September 24-27, 2000

*Superior Semicircular Canal Dehiscence Syndrome*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

Washington, D.C.

September 24-27, 2000

*American Neurotology Society – The Balance Course:*

*Evaluation and Testing of the Dizzy Patient*

Denver, Colorado.

September 7, 2001

*Evaluation of Dizziness in the Litigating Patient*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

Denver, Colorado

September 9-12, 2001

*Superior Semicircular Canal Dehiscence Syndrome*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

Denver, Colorado

September 9-12, 2001

*Evaluation of Dizziness in the Litigating Patient*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

San Diego, California

September 22-25, 2002

*Acute Facial Palsy: Evaluation and Management for the Otolaryngologist*

Instructional Course at the Annual Meeting of the

American Academy of Otolaryngology – Head and Neck Surgery

San Diego, California

September 22-25, 2002

*Evaluation of Dizziness in the Litigating Patient*

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Orlando, Florida  
September 21-24, 2003

*Acute Facial Palsy: Evaluation and Management for the Otolaryngologist*

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Orlando, Florida  
September 21-24, 2003

*Evaluation of Dizziness in the Litigating Patient*

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
New York, New York  
September 19-22, 2004

Canalith Repositioning: From Beginner to Expert

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
San Diego, California  
October 4-7, 2009

The Original Epley Approach to BPPV: From Beginner to Expert.

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Boston, Massachusetts  
September 26, 2010

Determining the Source of Vertigo: BPPV versus Other Causes

Mini-seminar at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Boston, Massachusetts  
September 27, 2010

The Secrets of Successful Canalith Repositioning

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Boston, Massachusetts  
September 27, 2010

The Secrets of Successful Canalith Repositioning

Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
San Francisco, California  
September 11, 2011

The Secrets of Successful Canalith Repositioning  
Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Vancouver, Canada  
September 30, 2013

The Secrets of Successful Canalith Repositioning  
Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Orlando, Florida  
September 22, 2014

Developing Physician Owned Outpatient Surgery Centers  
Instructional Course at the Annual Meeting of the  
American Academy of Otolaryngology – Head and Neck Surgery  
Orlando, Florida  
September 22, 2014

## **ORAL PRESENTATIONS**

1. Fretting corrosion in Orthopaedic implant alloys. Southern Biomedical Engineering Conference. San Antonio, Texas. September 26-27, 1983.
2. An evaluation of particulate aluminum oxide as a bone graft material. Annual meeting of the Society for Biomaterials. Second World Congress on Biomaterials. Washington, D.C. April 27 - May 1, 1984.
3. Tracheotomy in the first year of life. Annual meeting of the Paul Ward Society. Los Angeles, California. April 20-22, 1990.
4. Tracheotomy in the first year of life. Annual meeting of the American Laryngological Association. Palm Beach, Florida. April 28-29, 1990.
5. Retropharyngeal space infection: changing trends. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. San Diego, California. September 9-13, 1990.

6. B-mode ultrasonography of the paranasal sinuses compared with CT findings. Annual meeting of the American Academy of Otolaryngology - Head and Neck Surgery. Kansas City, Missouri. September 22-26, 1991.
7. Allergic rhinitis. Annual meeting of the Louisiana Society of Physician's Assistants. New Orleans, Louisiana. October 3, 1992.
8. Surgery for nonmalignant disorders of the larynx. Fourth International Forum of Otorhinolaryngology. New Orleans, Louisiana. October 7-10, 1992.
9. Petrous apex lesions. Meeting of the Baton Rouge Society of Otolaryngology - Head and Neck Surgery. Baton Rouge, Louisiana. November 12, 1992.
10. Recurrent respiratory papillomatosis: juvenile vs. adult forms. Annual meeting of the Western Section of the Triological Society. Seattle, Washington. January 8-10, 1993.
11. Lesions of the petrous apex. Annual meeting of the North American Skull Base Society. Scottsdale, Arizona. February 12-14, 1993.
12. Implantable hearing aids. Otolaryngology Update - 1993. New Orleans, Louisiana. March-19-20, 1993.
13. Implantable hearing aids. Common Medical Problems in the Elderly - A Symposium. New Orleans, Louisiana. June 19-20, 1993.
14. Otolaryngologic manifestations of allergic disease. Allergy Update 1993. New Orleans, Louisiana. September 10-11, 1993.
15. Acute facial paralysis. III Curso Internacional De Actualizacion En Medicina. La Clinica Hospital San Fernando. Panama City, Panama. September 17-19, 1993.
16. Hoarseness, dysphagia, and neck masses. III Curso Internacional Actualizacion En Medicina. La Clinica Hospital San Fernando. Panama City, Panama. September 17-19, 1993.
17. Hearing loss and rehabilitation. III Curso Internacional Actualizacion En Medicina. La Clinica Hospital San Fernando. Panama City, Panama. September 17-19, 1993.
18. Hearing results in surgery for primary petrous apex lesions. Annual meeting of the American Academy of Otolaryngology - Head and Neck Surgery. Minneapolis, Minnesota. October 2-6, 1993.
19. Utilization of blood and blood products in the peri-operative period. Tulane Head and Neck Oncology Update. New Orleans, Louisiana, New Orleans. December 3-4, 1993.

20. Ear infections. Otolaryngology for the Primary Care Physician. New Orleans, Louisiana. February 5, 1994.
21. Bell's Palsy. Otolaryngology for the Primary Care Physician. New Orleans, Louisiana. February 5, 1994.
22. Endoscopic Sinus Surgery Course. Given at the XVI Central American Congress and the IX Honduran National Congress for Otolaryngology - Head and Neck Surgery. Tegucigalpa, Honduras. February 22, 1994. Lectures given:
  - Endoscopic Instrumentation.
  - Technique of Endoscopic Sinus Surgery.
  - Postoperative Care in Endoscopic Sinus Surgery.
23. Perioperative blood transfusion in head and neck cancer surgery. XVI Central American Congress and the IX Honduran National Congress for Otolaryngology - Head and Neck Surgery. Tegucigalpa, Honduras. February 22-26, 1994.
24. Otologic manifestations of allergic disease. XVI Central American Congress and the IX Honduran National Congress for Otolaryngology - Head and Neck Surgery. Tegucigalpa, Honduras. February 22-26, 1994.
25. Canal wall up vs. canal wall down surgery - revisited. Otolaryngology Update - 1994. New Orleans, Louisiana. April 8-9, 1994.
26. Fungal sinusitis. Advanced Functional Endoscopic Sinus Surgery Course. New Orleans, Louisiana. May 20-21, 1994.
27. Pediatric tympanoplasty: the role of adenoidectomy. Annual meeting of the American Academy of Otolaryngology - Head and Neck Surgery. San Diego, California. September 18-22, 1994.
28. Rhinocerebral mucormycosis. Annual meeting of the Southern Medical Association. Orlando, Florida. November 5, 1994.
29. Wide decompression of the sigmoid sinus, posterior cranial fossa and endolymphatic sac for intractable Meniere's disease: two-year treatment results. Annual meeting of the American Academy of Otolaryngology - Head and Neck Surgery. New Orleans, Louisiana. September 17-20, 1995.
30. Canal wall up vs. canal wall down surgery - revisited. Meeting of the Baton Rouge Society of Otolaryngology - Head and Neck Surgery. Baton Rouge, Louisiana. September 21, 1995.
31. Cochlear implants in children. Meeting of the West Bank Pediatric Society. New Orleans, Louisiana. March 19, 1996.

32. Il Curso de Diseccion del Hueso Temporal (Temporal Bone Dissection Course. San Salvador, El Salvador. April 18-20, 1996. Lectures given:
  - Benign paroxysmal positional vertigo.
  - Canal wall up vs. canal wall down - revisited.
  - Acute facial paralysis.
  - Temporal bone dissection lectures.
33. Triple semicircular canal occlusion vs. labyrinthectomy in the cat. American Neurotology Society meeting. Orlando, Florida. May 4-5, 1996.
34. Comparison of adhesions/scarring in tympanoplasty surgery: hyaluronic acid foam vs. gelfoam. American Otological Society meeting. Orlando, Florida. May 5-6, 1996.
35. Neurotologic evaluation and management of posterior fossa arachnoid cysts. Annual meeting of the North American Skull Base Society and the International Skull Base Congress. San Diego, California. June 29-July 4, 1996.
36. Evaluation and treatment of the dizzy patient and benign paroxysmal positional vertigo. After Hours program - Coast Healthcare Alliance & Tulane University Hospital. Gulfport, Mississippi. August 20, 1996.
37. Selective vestibular neurectomy for disabling vertigo. Congress of Neurological Surgeons Meeting. Montreal Quebec, Canada. September 28 - October 3, 1996.
38. Impact of managed care on faculty size, composition, and recruiting. The Society of University Otolaryngologists-Head and Neck Surgeons and The Association of Academic Departments of Otolaryngology - 1996 Annual Meeting. San Francisco, California. November 8-10, 1996.
39. Contemporary diagnosis and management of acute facial palsy. 18<sup>th</sup> Annual Francis E. LeJeune Lectureship - Otology and Neurotology Update 1996. New Orleans, Louisiana. November 15-16, 1996.
40. Medical and surgical treatment of Meniere's disease. Meeting of the Baton Rouge Society of Otolaryngology - Head and Neck Surgery. Baton Rouge, Louisiana. November 21, 1996.
41. Medical and surgical treatment of Meniere's disease. Memorial Medical Center Grand Rounds. New Orleans, Louisiana. November 22, 1996.
42. Otolaryngology Update for the Primary Care Physician. New Orleans, Louisiana. March 15, 1997. Lectures given:
  - Hearing Loss
  - The Dizzy Patient

Otitis Media

43. Early post-laser stapedotomy hearing thresholds. Annual meeting of the American Otolological Society. Scottsdale, Arizona. May 10-11, 1997.
44. American Neurotology Society - ENG Training Course. New Orleans, Louisiana March 6-7, 1998. Chateau Sonesta Hotel. Lectures given:
  - Overview, Anatomy, Physiology
  - Caloric Irrigations
  - Special Considerations
  - Troubleshooting
45. Controversies in otitis media: prophylaxis for recurrent otitis media. 1988 Pediatric Update for the Primary Care Physician. Co-sponsored by Tulane University Medical Center and Alton Ochsner Medical Foundation. New Orleans, Louisiana. April 16, 1998.
46. Posturographic Performance In Patients with Secondary Gain. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. San Antonio, Texas. September 13-16, 1998.
47. Vestibular autorotation testing in patients with BPPV. Annual meeting of the American Academy of Otolaryngology - Head and Neck Surgery. San Antonio, Texas. September 13-16, 1998.
48. Controversies in otitis media: prophylaxis for recurrent otitis media. Meeting of the Greater New Orleans Pediatric Society. New Orleans, Louisiana. November 17, 1998.
49. Vestibular autorotation testing in patients with BPPV. 4<sup>th</sup> International Symposium on Meniere's Disease. Paris, France. April 11-14, 1999.
50. Prevalence of benign paroxysmal positional vertigo in Meniere's disease. Annual meeting of the American Neurotology Society. Palm Dessert, California. April 24-25, 1999.
51. Positional vertigo in patients with superior semicircular canal dehiscence. Annual meeting of the American Neurotology Society. Palm Dessert, California. April 24-25, 1999.
52. Coronal CT of the normal vestibular aqueduct in children and young adults. Annual meeting of the American Society of Pediatric Otolaryngology and the biannual meeting of the Interamerican Association of Pediatric Otolaryngology. Palm Dessert, California. April 28-30, 1999.
53. Controversies in otitis media: Prophylaxis for recurrent otitis media. Family Practice 1999: A Case-Based Clinical Update. New Orleans, Louisiana. May 13-16, 1999.

54. American Neurotology Society – The Balance Course: Evaluation and Testing of the Dizzy Patient. New Orleans, Louisiana. September 23-24, 1999. Hilton Riverside Hotel. Lectures given:
  - Introduction to the dizzy patient
  - Electronystagmography: technical aspects, when to order and interpretation
  - High frequency VOR testing: technical aspects, when to order and interpretation
55. Transtympanic steroids for treatment of sudden hearing loss. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. New Orleans, Louisiana. September 26-29, 1999.
56. Superior semicircular canal dehiscence: prevalence and symptoms. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. New Orleans, Louisiana. September 26-29, 1999.
57. High frequency VOR testing in vestibular neuritis. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. New Orleans, Louisiana. September 26-29, 1999.
58. Benign paroxysmal positional vertigo. Visiting Professor – Vanderbilt University School of Medicine, Department of Otolaryngology – Head and Neck Surgery. Nashville, Tennessee. October 19, 1999.
59. Sac surgery...coming out of the closet. Nashville Academy of Otolaryngology – Head and Neck Surgery. Nashville, Tennessee. October 19, 1999.
60. Epidural abscess masquerading as lateral sinus thrombosis. Annual Meeting of the North American Skull Base Society. Scottsdale, Arizona. March 15-16, 2000
61. The dehiscence middle fossa: Findings associated with superior semicircular canal dehiscence on high resolution computed tomography. Annual Meeting of the American Society of Neuroradiology. Atlanta, Georgia. April 2-8, 2000.
62. Anatomic considerations in vestibular neuritis. Annual Meeting of the American Neurotology Society. Orlando, Florida. May 13-14, 2000.
63. Evaluation of the dizzy patient. Family Practice 2000: A Case-Based Clinical Update. New Orleans, Louisiana. May 25-28, 2000.
64. Evaluation of the dizzy patient. NorthShore Regional Medical Center. Grand Rounds. Slidell, Louisiana. June 9, 2000.

65. American Neurotology Society – The Balance Course: Evaluation and Testing of the Dizzy Patient. D.C. Washington, D.C. Convention Center. September 22-23, 2000. Lectures given:
  - High frequency VOR testing: technical aspects, when to order and interpretation
  - Case Presentation Discussion Forum
66. Special Needs of Neuro-otologic Patients. File Gumbo – An Educational Experience. Sponsored by the Southeastern Association of Peri-Anesthesia Nurses. Covington, Louisiana. January 20, 2001.
67. Meeting of the Baton Rouge Audiology Group. Woman’s Hospital, Baton Rouge, Louisiana. February 20, 2001. Lectures given:
  - Evaluation of the dizzy patient.
  - Evaluation of dizziness in the litigating patient.
68. 10<sup>th</sup> International Symposium and Workshops on Inner Ear Medicine and Surgery – Annual Meeting of the Prosper Meniere Society. Aspen, Colorado. March 11-16, 2001. (Invited speaker.) Lectures given:
  - Fistula Test: Infrared Video compared to Electrooculography.
  - Evaluation of dizziness in the litigating patient.
  - Chronic Ear Surgery Discussion Forum.
69. American Neurotology Society – The Balance Course: Evaluation and Testing of the Dizzy Patient. Denver, Colorado. September , 2001. Lectures given:
  - Anatomy of the Vestibular System
  - Evaluation of the dizzy patient: The History
  - High frequency VOR testing: technical aspects, when to order and interpretation
  - Case Presentation Discussion Forum
70. Intratympanic dexamethasone and tinnitus control. (Invited Speaker) The International Tinnitus Forum. Denver, Colorado. September 8, 2001.
71. Viral titers and delayed facial palsy after acoustic neuroma surgery. Annual meeting of the American Academy of Otolaryngology – Head and Neck Surgery. Denver, Colorado. September 9-12, 2001.
72. Anatomic differences in the vestibular canals and their implications in vestibular neuritis. Annual meeting of the American Otological Society. Boca Raton, Florida. May 10-11, 2002.
73. Superior semicircular canal dehiscence as a cause of dizziness. Meeting of the Birmingham Otolaryngology Society. Birmingham, Alabama. June 25, 2002.

74. Evaluation of dizziness in the litigating patient. Visiting Professor – University of Alabama at Birmingham School of Medicine, Department of Otolaryngology – Head and Neck Surgery. Birmingham, Alabama. June 26, 2002.
75. History and physical examination of the dizzy patient. Evaluation of the dizzy patient: What you need to know! Sponsored by the American Academy of Otolaryngology – Head and Neck Surgery and the American Neurotology Society. San Diego, California. September 21, 2002.
76. Differential diagnosis of dizziness. Evaluation of the dizzy patient: What you need to know! Sponsored by the American Academy of Otolaryngology – Head and Neck Surgery and the American Neurotology Society. San Diego, California. September 21, 2002.
77. Issues of symptom and diagnostic validity in clinical medicine. Symptom, Diagnostic and Disability Validity: Improving Patient Outcomes – First International Conference. Toronto, Canada. September 26-29, 2002
78. Dizziness, tinnitus, deafness: The evaluation of validity. Symptom, Diagnostic and Disability Validity: Improving Patient Outcomes – First International Conference. Toronto, Canada. September 26-29, 2002.
79. Discussion Panels: Meniere’s Disease. Medico-legal Otology. Facial Nerve Paralysis. Intratympanic Therapy. 25<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 8-15, 2003.
80. Special Needs of Neuro-otologic Patients. Association of Surgical Technologists – 24<sup>th</sup> Annual National Conference. New Orleans, Louisiana. May 27-31, 2003.
81. History and physical examination of the dizzy patient. Evaluation of the dizzy patient: What you need to know! Sponsored by the American Academy of Otolaryngology – Head and Neck Surgery and the American Neurotology Society. Orlando, Florida. September 20, 2003.
82. Differential diagnosis of dizziness. Evaluation of the dizzy patient: What you need to know! Sponsored by the American Academy of Otolaryngology – Head and Neck Surgery and the American Neurotology Society. Orlando, Florida. September 20, 2003.
83. Special Needs of Neuro-otologic Patients. Annual Meeting of the Louisiana Association of Peri-Anesthesia Nurses. New Orleans, Louisiana. October 18, 2003.
84. Cochlear Implants. The annual meeting of the Louisiana Society of Hearing Aid Specialists. Baton Rouge, Louisiana. January 23-24, 2004.
85. History and physical examination of the dizzy patient. Moderator for Case discussions. Evaluation of the dizzy patient: What you need to know! Sponsored by the American

- Academy of Otolaryngology – Head and Neck Surgery and the American Neurotology Society. New York, New York. September 18, 2004.
86. Introduction to Neuro-otology: Case presentations. University of Southeastern Louisiana, School of Nursing. Baton Rouge, Louisiana. November 15, 2004.
  87. Hearing Loss and Cochlear Implants. Life After 50 Expo. Baton Rouge, Louisiana. April 24, 2005.
  88. The Dehiscent Middle Fossa: Occurrence, manifestations, associated findings and long-term results of 24 surgical explorations for superior semicircular canal dehiscence. The Annual Meeting of the American Laryngological, Rhinological and Otolological Society. Boca Raton, Florida. May 13-16, 2005.
  89. Meniere's Disease and the Allergist. Annual Meeting of the Louisiana Allergy, Asthma and Immunology Society. New Orleans, Louisiana. June 12, 2005.
  90. Superior Semicircular Canal Dehiscence. 28<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 5-10, 2006.
  91. Sensorineural Hearing Loss: State of the Art. 28<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 5-10, 2006.
  92. Vertigo: Case Presentations and Discussion. 28<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 5-10, 2006.
  93. Chronic suppurative otitis media, caloric testing and rotational chair testing. Rotational Chair Testing in the 21<sup>st</sup> Century. St. Louis, Missouri. May 5-6, 2006.
  94. Benign Paroxysmal Positional Vertigo. The 2007 Spring Fling Surgical Seminar: Annual meeting of the Louisiana State Assembly of American Surgical Technologists. Lake Charles, Louisiana. March 17-18, 2007.
  95. Chronic suppurative otitis media, caloric testing and rotational chair testing. The annual meeting of the American Neurotology Society. San Diego, California. April 27-28, 2007.
  96. The relationship between the modified somatic perception questionnaire and dynamic platform posturography. The annual meeting of the American Neurotology Society. San Diego, California. April 27-28, 2007.
  97. Panel on Contemporary issues in vertigo and Meniere's disease. 30<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 10-15, 2008.
  98. Intratympanic Steroids for Meniere's disease. 30<sup>th</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 10-15, 2008.

99. Surgery for vertigo. Assessment, Interpretation & Management of Balance Disorders. Baton Rouge, Louisiana. May 14-16, 2009.
100. Medicolegal considerations. Assessment, Interpretation & Management of Balance Disorders. Baton Rouge, Louisiana. May 14-16, 2009.
101. Health Care Analysis – 2009. The Shreveport-Bossier July 4<sup>th</sup> Tea Party. Bossier City, Louisiana. July 4, 2009.
102. Third-Party-Free Practice: Why and How. Winning and Saving Medicine: It's up to us. 66<sup>th</sup> Annual Meeting of the American Association of Physicians and Surgeons. Nashville, Tennessee. October 2, 2009.
103. Third-Party-Free Practice: Why and How. Michigan Ear Institute Alumni Dinner. San Diego, California. October 4, 2009.
104. BPPV: From beginner to expert. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. San Diego, California. October 5, 2009.
105. Anatomy and pathophysiology of BPPV. Differentiating and Managing the Entire Spectrum of Vertigo. Celebration, Florida. November 6-7, 2009.
106. Case Presentations. Differentiating and Managing the Entire Spectrum of Vertigo. Celebration, Florida. November 6-7, 2009.
107. Third-Party-Free Practice: "Why and How. Thrive - Not just survive XI AAPS Workshop. Houston, Texas. February 5, 2010.
108. Meniere's Disease and Vestibular Disorders. 32<sup>nd</sup> Annual Sisson International Head and Neck Workshop. Vail, Colorado. February 7-12, 2010
109. Anterior Canal BPPV: Fact or Fiction. Michigan Ear Institute Annual Spring Conference. Otolaryngology Update for the Practicing Otolaryngologist. Traverse City, Michigan. June 5-6, 2010.
110. Evaluating Dizziness in the Litigating Patient. Michigan Ear Institute Annual Spring Conference. Otolaryngology Update for the Practicing Otolaryngologist. Traverse City, Michigan. June 5-6, 2010.
111. Third-Party-Free: How and Why. Michigan Ear Institute Annual Spring Conference. Otolaryngology Update for the Practicing Otolaryngologist. Traverse City, Michigan. June 5-6, 2010.
112. Non-particle positional vertigo. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Boston, Massachusetts. September 26, 2010.

113. The original Epley approach to BPPV: From beginner to expert. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Boston, Massachusetts. September 27, 2010.
114. The secrets of successful canalith repositioning. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Boston, Massachusetts. September 27, 2010.
115. Free Market Medicine. Meeting of the Lafayette TEA Party. Lafayette, Louisiana. October 28, 2010.
116. Free Market Medicine. Annual Meeting of the Oklahoma Academy of Otolaryngology. Oklahoma City, Oklahoma. May 20, 2011.
117. The secrets of successful canalith repositioning. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. San Francisco, California. September 11, 2011.
118. Evaluation of dizziness in the litigating patient. Annual meeting of the American Speech-Language-Hearing Association. San Diego, California. November 17-19, 2011.
119. Superior Semicircular Canal Dehiscence. Annual meeting of the American Speech-Language-Hearing Association. San Diego, California. November 17-19, 2011.
120. Third-Party-Free Medical Practice. Meeting of the Tri-County Medical Society. Victoria, Texas. October 25, 2012.
121. Medical implications of vertigo in relationship to hearing loss. Annual Meeting of the Louisiana Society of Hearing Aid Specialists. Baton Rouge, Louisiana. January 26-27, 2013.
122. Office Otology Panel. Vanderbilt Otolaryngology Symposium, 35th George A. Sisson International Workshop. Vail, Colorado. February 3-8, 2013.
123. Epley Omniax treatment of BPPV. Vanderbilt Otolaryngology Symposium, 35th George A. Sisson International Workshop. Vail, Colorado. February 3-8, 2013.
124. Free market medical practice. Thrive – Not Just Survive XVIII. Sponsored by the American Association of Physicians and Surgeons. Minneapolis, Minnesota. August 10, 2013.
125. Developing physician owned outpatient surgery centers. Vancouver, Canada. September 29, 2013.

126. The secrets of successful canalith repositioning. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Vancouver, Canada. September 29, 2013.
127. Superior Semicircular Canal Dehiscence and the Psychiatric Manifestations of Vestibular Disease. Grand Rounds – University of Chicago, Department of Psychiatry. Chicago, Illinois. January 30, 2104.
128. Analysis of Clinical Records as a Means to Validate Non-Invasive Assessment of Intracranial Pressure Using the Cerebral and Cochlear Fluid Pressure (CCFP) Analyzer. NASA Human Research Program Investigators' Workshop. Galveston, Texas. February 13, 2014.
129. The secrets of successful canalith repositioning. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Orlando, Florida. September 22, 2014.
130. Developing Physician Owned Outpatient Surgery Centers. Annual Meeting of the American Academy of Otolaryngology-Head and Neck Surgery. Orlando, Florida. September 22, 2014.
131. Third Party Free Specialty Practice. Thrive, Not Just Survive – XXI. Sponsored by the American Association of Physicians and Surgeons. New Orleans, LA. January 9, 2015.
