SUMMARY OF QUALIFICATIONS

A comprehensive and diverse career of over thirty years of professional administrative/managerial, command, and leadership experience in the field of **criminal justice and operational security**- both government and private sector venues domestically and global.

Fifteen (15) years of accomplished law enforcement management and leadership as **CHIEF OF POLICE**- three (3) U.S. states with “U.S. Congressional and state Senate and House honors.”

Well-documented and consistent record of crime/ violence reduction; including consistent cost-efficient and exceptional service delivery, with high performance strategic team building to culturally-diverse populations and major violent crime areas/corridors (FL, AZ, and PA).

United States government- trained **COUNTERTERRORISM EXPERT** and threat mitigation specialist, with extensive service to Latin America and the Middle East as an **intelligence community operator and senior trainer**. Full professional **fluency in Spanish**.

Within an “all crimes, all threats, all hazards” approach in policing and **international security and Intelligence issues**- domestically and within clandestine global foreign operating areas and at-risk destinations; I was tasked to lead, manage, and train others in mitigating risk to people, facilities/ installations, and business/ corporate entities. This included safeguarding and facing complex security challenges involving espionage, counterintelligence, surveillance detection, sabotage, and similar threats. A full spectrum of proactive and strategic **operational security**.

President/CEO- Criminal Justice International Associates (CJIA), northern, Virginia. 01- 2001 to- 05-2018

CJIA is a Global Threat Mitigation Firm. I performed conceptual and technical expertise as practitioner, senior trainer, consultant, and auditor on comprehensive international threat and vulnerability assessments; counterterrorism, intelligence-led policing, and other transnational organized criminal threats; border security; domestic and international policing transition into confronting transnational organized crime, narcoterrorism and countering “intelligence-applied tradecraft issues-” as well as foreign policing infrastructure and operational readiness/audits. CJIA also served as consultants on the investigative and tactical direction in confronting complex criminal insurgent/transnational groups and other intelligence- oriented threats, and related operational security scenarios.

Chief of Police. Greater Pittsburgh, Pennsylvania. 1997- 01-2001

Municipality, part of the greater metropolitan Pittsburgh area, and served a majority culturally diverse community. The jurisdiction was selected and awarded first place in the nation (1996) for communities of populations 25,000 and above- "Excellence in Community Policing." Comprehensive planning, creation, deployment, training, supervision/ evaluation of a strategic and proactive community-based policing strategy. Consistent crime reduction and **U.S. Congressional and State Senate and House) honors/** success- within a high violent, narcotic, and gang infested environment.

Chief of Police. Greater Tucson, Arizona. 1994-1997

Municipality, predominately a major culturally diverse community, with the distinction of having the highest poverty rate in the State of Arizona. The jurisdiction, a main corridor for international narcotics trafficking and related narcoterrorism/violence, from the Mexican border into the United States. Served as a **Director- Metropolitan Area Narcotics Trafficking Interdiction Squad (MANTIS), City of Tucson.** (Southwest Border HIDTA (High Intensity Drug Trafficking Area)- Arizona Partnership. A multi-agency, collocated task force in Tucson that investigated all levels of drug trafficking, with particular emphasis on gang activity, drug-related violence and homicides in Pima County, Southern Arizona, and Mexican Border. Consistent crime reduction accolades.

- **Central Intelligence Agency-** Counter Terrorism Center (CTC) (CTCCRG 09811); 1992 -1998- employee I.D.: 2222297; 201 file: 1489954. Counter-terrorism Officer. (Classified). Security clearance. (contractor)

Chief of Police. Greater Orlando, Florida. 1981-1991

Comprehensive planning, creation, deployment, training, supervision, and evaluation of a strategic and proactive community-based policing strategy for the community. Consistent, and record-setting crime reductions and property recovery rates for the jurisdiction, bordering the highest violent crime area of metro-Orlando/Orange County.
