EXPERIENCE

Private Practice of Gastroenterology

Joel Chodos, MD
930 Old Harmony Rd Suite D,
Newark, DE 19713

January 1989-Present

- Founded and developed successful solo private practice.
- Responsible for clinical care of patients and financial and administrative management of practice which is both a profession and a small, professional business.
- Voted a "Top Doc" in *Delaware Today* magazine by medical peers nine times: 1995, 2000, 2005, 2010, 2012, 2013, 2016, 2017, 2018 and 2020.
- Involved in Quality Assurance at surgical center with which I am affiliated.
- Served as Endoscopy Director for hospital whose staff I joined in 1989.
- Designed and organized hospital's first GI lab in 1990.
- Publish a popular electronic GI newsletter (35 issues to date) with critical review of recent GI articles of clinical relevance for practicing physicians.

Medical Review Consultant

HHC Group Health
Insurance Consultants
Gaithersburg, MD

January 2013-2019.

- Served as part-time medical reviewer for medical necessity to insurers and state governments. Involves in-depth reviewing of extensive medical data, writing of guidelines and medical literature.
- Deal with high-level appeals.

Biomedical Council Member

Gerson Lehman Group (GLG)
New York, NY

July 2011-Present

- Served as an as-needed consultant to GLG for biomedical client consultancies.
- Covered a wide variety of subject matter.
- Dealt with sophisticated clients.

Faculty Appointments

1984-1987

Assistant Professor of
Medicine (Div of GI)
NY Medical College
Valhalla, NY 10595

1988-1989

Assistant Professor of
Clinical Medicine

Columbia University
New York, NY 10036

2006-Present

Assistant Professor of
Clinical Medicine

Jefferson Medical College
Philadelphia, PA

**Expert Medical Witness and
Medical Consultant**

2002-Present

- Served as an expert witness/consultant on over 25 occasions over the past 15 years on various GI matters for attorneys.
- Clients have included firms in Delaware, Pennsylvania, New York, Illinois, Kentucky, Massachusetts, North Carolina, Rhode Island ,Ohio, and Florida including defendant and plaintiff firms and Delaware Attorney General(Department of Justice.)
- Served as an educator to attorneys on medical matters, given expert testimony in court, and performed written analyses of cases. This has helped hone my analytical skills, ability to think critically and strategically, and to defend a position in cross-examination.

Clinical Investigator

HealthCore
(a Healthcare Research
Organization)
Newark, DE

2003-2009

- Clinical sub-investigator on pharmaceutical company sponsored clinical studies.
- Participated in double-blind study comparing Nexium and Prevacid in healing of erosive esophagitis.
- Principal investigator for study on the treatment of functional dyspepsia with promotility agent tegaserod (Axcn.)
- Responsible for subject enrollment, exams, and clinical reporting as part of team.
- In 2009 was enrolled in REMAIN trial of Astra-Zeneca re Nexium.
