

CURRICULUM VITAE

JOHN C. (JACK) KEMP, AIA | Architect

PROFESSIONAL REGISTRATION:

Registered Architect, California License #C7890, Arizona License #39008; Colorado License #306455; Hawaii License #AR10882; Idaho License #AR-984908; Nevada License #3208; Washington License #6439; Wyoming License #C2002 NCARB Certification.

PROFESSIONAL EXPERIENCE:

Weir/Andrewson Associates, Inc. | Principal 2003 - 2012 | Consulting Architect 2013 to present

- Principal Architect for forensic architectural and engineering consulting firm. Services include investigation of building failures, analysis, and remedial architectural design; litigation support, arbitration and mediation support. Oversight of senior consulting architects on staff.
- Expert testimony, research, and analysis of built projects and construction documents. Preparation of reports and graphics; and assistance in litigation and settlement strategies. Mr. Kemp has testified as an expert on claims in both arbitration and litigation cases.
- Development of remedial design construction documents and project management services.
- Alternative dispute resolution activities in the construction and design fields, as a panel member on the American Arbitration Association Large and Complex Construction Case Panel (LCCP).
- Multi-disciplinary Peer Review/Quality Assurance review of construction documents for design professionals and property owners.
- Assessment of historic structures; design services for rehabilitation and/or renovation of structures, and services for adaptive reuse of historic buildings.

Prior Experience:

Ian Mackinlay Architecture | Director of Architecture | 1989 – 2003

- As Director of Architecture for Ian Mackinlay Architecture, Inc (IMA), Mr. Kemp provided a variety of consulting services relating to construction and design claims including expert testimony, research and analysis of built projects and construction documents; preparation of reports and graphics; and assistance in litigation and settlement strategies. He has testified as an expert on claims in both arbitration and litigation cases.
- Alternative dispute resolution and litigation support activities in the construction and design fields. As a member of the American Arbitration Association, he is active on AAA's Large and Complex Construction Case Panel, (LCCCP). He has acted as a neutral appraiser and architect on real estate and construction disputes.
- Director of IMA's Quality Assurance/Peer Review Service, which provides Owners, Architects and Construction Managers "back-up" review services on design documents prepared by other Architects before they are let out to bid.
- Custom residences and many multi-family housing projects, commercial/office, hotel, civic, renovation of existing commercial structures and historic rehabilitation projects.

Mackinlay/Winnacker/McNeil & Associates, Inc. | Chief Architect | 1988 – 1989

- From 1988 - 1989, as MWM's Chief Architect, Mr. Kemp opened and managed MWM's branch office in Sacramento, California. He provided third party review and code coordination for the Retirement Inns of America senior housing project in Sacramento; was Project Manager for concept studies and master plan for the City of Martinez Marina Plaza, a commercial and restaurant project funded and directed by the State Coastal Conservancy; Project Manager for the construction phase of Ridgecrest Police Facility (including security holding), City Hall and Community Recreation Center in Ridgecrest, CA. He was also Project Architect for 77 Dow Plaza, a \$12 million concrete high-rise residential condominium project in the South of Market area of San Francisco.
- Mr. Kemp was also MWM's Design Architect for the City of Burlingame Public Parking Structure; the historic restoration of the Town Hall in Danville, CA; and Project Manager for the Adorni Recreation Facility on Humboldt Bay in Eureka, CA, and the Foothill Park Community Center in Sacramento, CA.

Kemp and Kemp Architects | Principal

- Principal in Bay Area general practice architectural firm.
- Private joint venture project development and management. Developed and managed projects including commercial, retail, residential, hotel, mixed-used and historic rehabilitation
- Directed the renovation of Crosby Commons, the 1926 Levy Brothers Department Store in Burlingame, into a \$4.5 million atrium complex with housing and upscale retail tenants. Other shopping center projects include: Owner Architect for "Old Town", Los Gatos, and Town & Country Center, Sacramento; tenant improvement architect for retail shops in Stanford Shopping Center, Palo Alto and The Hahn Region Mall, Santa Rosa. Other projects include joint venture development of the Delaware Historic District, a mixed-use retail/office and residential block in Berkeley.

University of California Statewide System | Assistant to University Architect

- Responsible for comparative cost analysis of university buildings.

SELECTED DESIGN PROJECTS:

- Burlingame Galleria, Society of California Pioneer Headquarters and Museum; the William Hewlett cabin at Sugar Bowl in the high Sierras; and Lemelson Residence at Incline Village, NV.
- Walnut Square Shopping Center in Berkeley. This innovative community specialty center became the focus of retail activity in Berkeley.
- He was responsible for major renovation to Arden Fair Shopping Center in Sacramento, which included mall improvements, the design of the Galleria Mall, and exterior improvements. Mr. Kemp also acted as the Owner's architect for design review and approval of all tenant improvements.
- Mr. Kemp was Project Architect for the redesign of Harvey's Tower at South Lake Tahoe, featuring luxury all-suites and superior room floors with enhanced amenities totaling more than 150 rooms, lobby retail shops, penthouse restaurants and bars, a casino cabaret, convention facilities, and health spa.

CIVIC FORENSIC PROJECTS:

- City of Albany – Library and Community Center
- City of Sacramento – Convention and Community Center
- City of Escondido – California Center for the Arts
- City Emeryville – Early Childhood Learning Center
- City of Pinole – Pinole Village Senior Housing
- City of Mill Valley – Community Center
