Experience

2001 **REnamics LLC** **San Diego, CA**
Principal

- Established consulting firm focused on the insurance and reinsurance industry.
- Consulting practice scope includes: arbitrations; mediations; expert witness; litigation management support; audit/due diligence reviews (Underwriting, Claims, Operational, Process); management/ marketing strategies and tactics; product development; commutations; runoff; and research projects.

2000-2001 Alea Group Norwalk, CT
Executive Vice President & Chief Operating Officer (U.S.)

- Transition/ integration of the Equus Re team and its business portfolio to the Alea Group.
- Implemented strategy and operations of Alea Group philosophies in Alea North America.
- Responsible for developing Alea Group's corporate marketing/branding concepts, consistency and process.
- Coordination of marketing activities and communications amongst Alea franchises, clients and target marketing.

1998-2000 Kemper/Equus Re Norwalk, CT
President & Chief Operating Officer

- Led the formation of a new reinsurance underwriting operation focused on specialty risk transfer products (property and casualty, program, alternative risks, financial products, and blended products).
- Developed and executed operational strategy to optimize productivity and customer service. Instituted integrated multidisciplinary due diligence underwriting process with management monitoring capabilities. Established all operations: accounting, actuarial, claims, finance, information technology, legal and underwriting.
- Instrumental in leading, facilitating and negotiating the sale of the Equus Re team and its business portfolio from Kemper Insurance to the Rhine Re Group (renamed Alea Group) whose majority owner was Kohlberg Kravis Roberts & Co. (KKR) in December 1999.

1993-1998 TIG Re Stamford, CT
Executive Vice President & Chief Operating Officer

- Formulated and led the regeneration and transformation of company's strategies and tactics. Corporate culture, organization and processes revamped to focus on client solution orientation on a global basis.
- Implemented diversification of markets and products: entry into new geographical areas and new risk transfer mechanisms.
- Improved operating procedures by streamlining work flow processes and enhancing information flow. Implemented usage of active information technology into the marketing and underwriting process.
- Instituted integrated multidiscipline team approach (actuarial, claims, accounting, audit) into underwriting analysis. Leveraged collective cross-functional knowledge/ information for improved underwriting results.
- Implemented continuous performance monitoring, audit and re-underwriting of the book of business.
- Formulated and implemented target and cross marketing strategies.
- During her tenure at TIG Re it grew to be one of the top ten U.S. Property/Casualty reinsurers. "A" rated by A.M. Best it consistently outperformed its peers in its operating ratios and shareholders' returns.
