ACADEMIC, CLINICAL & CONSULTING POSITIONS

- 1998 – 2008 Assistant Professor and Attending Physician, Clinical Research and Occupational Medicine Division, Environmental and Occupational Health Sciences Institute (EOHSI) - a joint Institute of UMDNJ-Robert Wood Johnson Medical School (RWJMS) and Rutgers, the State University of New Jersey.
- 2000 – 2008 Associate Director, Residency Program in Occupational and Environmental Medicine, UMDNJ-RWJMS, Piscataway, NJ.
- 2001 – 2008 Assistant Professor, Department of Environmental and Occupational Health University of Medicine and Dentistry of New Jersey (UMDNJ) - School of Public Health, Piscataway, NJ.
- 2008 – 7/2010 Assistant Professor (Adjunct), Department of Environmental and Occupational Health University of Medicine and Dentistry of New Jersey (UMDNJ) - School of Public Health, Piscataway, NJ.
- 7/2010 – Present Associate Professor (Adjunct), Department of Environmental and Occupational Health, University of Medicine and Dentistry of New Jersey - School of Public Health.
- 2008 – Present Occupational & Environmental Medicine Consultant. War-related Illness and Injury Study Center (WRIISC), Department of Veteran's Affairs NJ Healthcare System, East Orange, NJ
- 2008 – Present Disability Medical Consultant, Professional Disability Associates, Portland, ME.

EDUCATION

Masters of Business Administration with a focus on Medical Management (Part-time Professional MBA) Joint program: University of Massachusetts, Amherst, MA and American College of Physician Executives
2003 –2008

Certificate in Medical Management
Joint Program: Carnegie Mellon University, Pittsburgh, PA and American College of Physician Executives
2001-2002

Masters of Science in Community and Preventive Medicine (MPH equivalent)
City University of New York, NY.
1996 - 1998

College of Medicine, University of Ibadan, Nigeria.
Medical Degree (MBBS)
1982 - 1988

POSTGRADUATE TRAINING

Residency in Occupational and Environmental Medicine
Mount Sinai School of Medicine, New York, NY.
1996 - 1998

Postdoctoral Clinical Fellow in Multidisciplinary Pain Management
Yale University School of Medicine, New Haven, Connecticut.
1995 - 1996

Residency in Anesthesiology (Final Year)
Yale University School of Medicine, New Haven, Connecticut.
1994 - 1995

Residency in Anesthesiology in the United Kingdom
Rotations at the following hospitals: Hammersmith Hospital, London;
Northwick Park Hospital, Harrow, Middlesex; Westminster Hospital, London;
Sandwell District General Hospital, West Bromwich.
1990 – 1994

Internship in Internal Medicine, Surgery,
Pediatrics, Obstetrics and Gynecology
University College Hospital, Ibadan, Nigeria.
1988 – 1989

LICENSURE

New Jersey Medical License.

New York Medical License (inactive).

General Medical Council, Great Britain (inactive).

CERTIFICATION

Diplomate, American Board of Integrative and Holistic Medicine, 2012

Diplomate, American Board of Preventive Medicine
(Occupational Medicine), 2000, 2010.

Diplomate, American Board of Anesthesiology, 1996

Fellow of the Royal College of Anesthesiologists of Great Britain (FRCA), 1993

PROFESSIONAL ORGANIZATIONS

American College of Physician Executives (ACPE)

American College of Occupational and Environmental Medicine (ACOEM).

American Board of Disability Analysts (ABDA)

SERVICE ON GRANT REVIEW PANELS

Centers for Disease Control and Prevention (CDC) Mentored Public Health
Research Scientist Development KO1 Award. Disease, Disability, and Injury
Prevention and Control. Special Emphasis Panel CD07-003
(Grant Reviewer) 2007

National Institute on Drug Abuse (NIDA) and the National Institutes of Dental and Craniofacial Research's (NIDCR) collaborative initiative: Translational Research in Dental Practice-Based Tobacco Control Interventions. Special Emphasis Panel ZDE1 RR (55) (Grant Reviewer) 2003

Universities Education and Research Center Pilot Projects Research Training Program (Grant Reviewer) 2003, 2006

Rutgers Center for Obesity Research and Intervention (Grant Reviewer) 2004

JOURNAL/PUBLICATION PEER REVIEW ACTIVITIES

Jones and Bartlett Publishers 2007-

Cancer Investigation 2006-

Journal of Environmental and Occupational Medicine 2002-

American Journal of Industrial Medicine 1997-

SERVICE ON NATIONAL, STATE & UNIVERSITY COMMITTEES

Physician Panel Member, Department of Energy's Office of Worker Advocacy (OWA) Program. Established by the Energy Employees Occupational Illness Compensation Program Act (EEOICPA)

New Jersey Diabetes Council

Cancer Control Program, the Cancer Institute of New Jersey

University of Medicine and Dentistry of New Jersey, Faculty Impairment Committee

UMDNJ - School of Public Health Adhoc Committee for Faculty Diversity - Chair

UMDNJ - School of Public Health Doctoral Committee

UMDNJ - School of Public Health Ombudsperson

UMDNJ - School of Public Health Student Affairs Committee

UMDNJ - School of Public Health. Institute for the Elimination of Health Disparities, Science and Planning Review Board

Environmental and Occupational Health Sciences Institute Educational Task Force

COMMUNITY ORGANIZATIONS

Wardlaw-Hartridge School, Edison, NJ. Board of Trustees

Global Advisors on Smokefree Policy, Summit, NJ. Board of Trustees.

Christ Church, Montclair and Rockaway, NJ. Board of Trustees.

TEACHING RESPONSIBILITIES

Class Room Teaching

Department of Environmental and Occupational Health, UMDNJ-School of Public Health. Course Director for Principles of Occupational Health (ENOH 0693, 3 credits).

Fall 2001 - present

Department of Environmental and Occupational Health, UMDNJ-School of Public Health. Course Director for Environmental and Occupational Epidemiology (ENOH 0652, 3 credits)

Spring 2002 - 2008

Department of Environmental and Occupational Health, UMDNJ-School of Public Health. Course Director for Advanced Principles of Occupational Health (ENOH 0693, 3 credits).

Summer 2001 – 2003

Department of Environmental and Occupational Health, UMDNJ-School of Public Health. Course Director for Occupational Health Practices (ENOH 0693, 2 credits).

Summer 2002 & 2004

Invited Lectures

Department of Environmental and Community Medicine, UMDNJ – Robert Wood Johnson Medical School. Environmental and Community Medicine II: Lectures to medical students – The Tobacco Epidemic: A Clinical Perspective

Spring 2002 and 2003

Department of Environmental and Community Medicine, UMDNJ – Robert Wood Johnson Medical School. Environmental and Community Medicine II: Lectures to medical students - Ergonomics: Upper Extremity Musculoskeletal Disorders.

Spring 2000 and 2001

Department of Family Medicine, UMDNJ – Robert Wood Johnson Medical School. Occupational Medicine Seminar Series: Lectures to family medicine residents – Upper Extremity Musculoskeletal Disorders.

Spring 1999-2002

Graduate Program in Public Health, Environmental and Occupational Health Track. Lectures to MPH students - Occupational and Environmental Epidemiology: Side stream smoke and lung cancer.

Spring 1999- 2001

Graduate Program in Public Health, Environmental and Occupational Health Track. Lectures to MPH students - Toxicologic databases/New Jersey Department of Health Hazardous Substance Fact Sheets. Physical hazards and ergonomics.

Fall 1998-2000

Small Group Facilitator

Department of Environmental and Community Medicine, UMDNJ – Robert Wood Johnson Medical School. Epidemiology, Statistics and Prevention. Small Group Facilitator.

Fall 2006 – 2010

Department of Environmental and Community Medicine, UMDNJ – Robert Wood Johnson Medical School. Environmental and Community Medicine II: Small Group Facilitator - Tobacco Issues in Clinical Prevention
Spring 1999 and 2001

Department of Community and Preventive Medicine, Mount Sinai School of Medicine, New York. Small Group Facilitator - Problem Based Learning in Epidemiology.
Fall 1997-1998

Interactive Web Teaching

Department of Environmental and Community Medicine, UMDNJ – Robert Wood Johnson Medical School. Small Group Facilitator, Environmental and Community Medicine Course for Medical Students (ECM-600), Spring 2001 and 2002

GRANTS AND CONTRACTS SUPPORT

Kipen HM (Principal Investigator), **Osinubi OYO** (Co-PI).

New Jersey Department of Health and Senior Services Hazardous Substance Fact Sheet project. July 1998 – June 2002.

Osinubi OYO (Principal Investigator), Development of Methodology for the Workplace Tobacco Policies Survey in New Jersey. Subcontract from New Jersey Department of Health and Senior Services, Division of Addiction Services. August 1999 – June 2000.

Osinubi OYO (Principal Investigator), New Jersey Manufacturers Insurance Group - Transition to a smoke-free campus. Sept.1999-April 2000

Osinubi OYO (Principal Investigator), Kipen HM, (Co-Investigator). UMDNJ School of Public Health Exploratory Research Funding. A pilot study of individualized telephone smoking cessation intervention in asbestos workers. November 1999 - October 2000.

Osinubi OYO (Principal Investigator), Schneiderman JF, Demissie K, Leventhal H. New Jersey State Commission on Cancer Research. Pilot and Small Research Grants for Cancer Control. Smoking Cessation Counseling during Physical Examination. June 2000 – June 2001

Osinubi OYO (Principal Investigator), Denenberg H, Demissie K, Leventhal H. American Lung Association (National and New Jersey). Smoking in Preoperative Patients: An Intervention Study. July 2001 – June 2003.

Delnevo CD (Principal Investigator) **Osinubi OYO** (Lead Faculty) for Workplace Tobacco Policies Survey in New Jersey. Independent evaluation of the New Jersey Comprehensive Tobacco Control Program: New Jersey Department of Health and Senior Services. January 2001 – June 2003.

Osinubi OYO (Principal Investigator), Fiedler N, Robson M, Kipen H, Ohman P. National Institute for Occupational Safety and Health Exploratory/Developmental Grant (R21) Program. Work Organizational Factors and Psychological Distress. September 2002 – August 2005.

Osinubi OYO (Principal Investigator), Kipen H, Zhang J, Laskin D, Phillip C, Shindler D, Ohman P, Rich D. Universities Occupational Health and Safety Education Research Center Pilot Project Program. Acute Cardiovascular Responses to Diesel Exhaust Air Pollution in Non smokers, Passive smokers and Active Smokers. December 2005 – December 2007.

McCarthy DE (Principal Investigator), Baker T, Shiffman S, Stitzer M, **Osinubi OYO** (Project Consultant). National Institute of Drug Abuse Behavioral and Integrative Treatment Development Program (R21). The Evaluation of Learning-Theory-Based Smoking Cessation Strategies. August 2010 - July 2012.
