

CURRICULUM VITAE

Stephen M. Cohen, MD, MBA

Associate Clinical Professor, Department of Surgery
Virginia Commonwealth University
Richmond, Virginia
2017 - present

Richmond Veterans Administration Medical Center
Department of Surgery
Part time – 2015
Full time
10/2017 - present

Greenbrier Valley Medical Center
Ronceverte, West Virginia
Director
Acute Care Surgery
10/2014 – 10/2017

Atlanta Colon and Rectal Surgery
Atlanta, Georgia
07/1994 – 10/2014

West Virginia School of Osteopathic Medicine
Lewisburg, West Virginia
Associate Professor
5/2016 – 10/2017

Associate Clinical Professor
Department of Surgery
Emory University School of Medicine
07/1998 – 10/2014

PERSONAL DATA:

OFFICE ADDRESS: 1201 Broad Rock Blvd.
Richmond, VA 23249
(O) 804-675-5112 X6566

Cell (404) 680-9898
Stephencohen615@gmail.com

DATE OF BIRTH: June 15, 1962
BIRTHPLACE: Brooklyn, New York
MARITAL STATUS: Married-Patricia, RN, MSN
CHILDREN: Daniel-August 9, 1991
Zachary-November 24, 1992
Alana-February 8, 1995

CITIZENSHIP: USA

EDUCATION:

MASTERS OF BUSINESS
ADMINISTRATION Walden University
2011-2013

FELLOWSHIP: Colon and Rectal Surgery
Cleveland Clinic Florida
3000 West Cypress Creek Road
Ft. Lauderdale, Florida 33309
Chairman: David G. Jagelman, M.D.
Steven D. Wexner, M.D.
1992-1994

INTERN/RESIDENCY: General Surgery
Boston University Medical Center
88 East Newton Street
Boston, Massachusetts 02118
Chairman: Ed Spatz, M.D.
1987-1992

MEDICAL SCHOOL: University of California, LA
Los Angeles, California 90025
Degree: Medical Doctor
1983-1987

COLLEGE: University California, Riverside
Riverside, California
Degree: Bachelor of Science
Biomedical Science
1980-1983
Honors: Dean's Honor List

ACTIVE MEDICAL LICENSES: (30)

CA, FL, GA, IA, IL, LA, MS,
NC, NJ, NY, OH, UT, VA, WV,
PA, TX, IN, AZ, ID, AL, TN,
MN, MI, WI, CO, KY, ND, MD,
DE, AR,

CERTIFICATION:

1. Diplomat, National Board of Medical Examiners: July 1988
2. General Surgery- Certification # 38322
Initial- 04 May 1993 / End Date: 01 Jul 2003
Recertification: 19 Oct 2001/ End Date: 01 Jul 2013
Recertification: 06 Dec 2011/ End Date: 01 Jul 2023
3. Colon and Rectal Surgery- Certification # 335
Initial: Sep 1996
Recertification: 01 Jan 2007/ End Date: 31 Dec 2016
Recertification: 12 May 2016/End Date: 31 Dec 2026

AWARDS/HONORS:

Dean's Honor List-UCR
Chief Resident's Appreciation Award-Best all around,
1988-1989
Administrative Chief Resident, 1991-1992
Life Styles Southern Arc Magazine- www.lifestylesmagazine.net –voted Top
Colon and Rectal Surgeon for 2006 and 2007. pg. 51. May 2007 issue
Top Docs for Colon/Rectal surgery Lifestyles Magazine May 2009 page 40
Top Doctor for Atlanta Magazine for 2009, 2010, 2011, 2012, 2013, 2014
Arnold M. Salzberg, MD – Award in Surgery June 19, 2021

ACTIVE STAFF PRIVILEGES

Richmond VA Medical Center
1201 Broad Rock Blvd.
Richmond, VA 23249

FACULTY

World Congress of Compression Anastomosis (WCCA)
Inaugural Symposium- January 27-28, 2012

Industry and physician driven organization to teach new technology
Write, produce, and edit the lecture for surgeon education

Honorable Editor, Medcrave online (MOJ Surgery, Gastroenterology/Hepatology)

MedCrave is an Open Access Publishing website that contains ample scientific
research information on categorized topics. MedCrave is a huge Online
Publishing Library, where anyone can view, share and download research papers

LEADERSHIP POSITIONS

Richmond VAMC, Richmond, VA

2017-Present

Section Chief, General Surgery and In-Patient Surgical Services

1. Peer Review
2. P and T committee – Chairman, 2022
3. MOD Supervisor

West Virginia School of Osteopathic Medicine, Lewisburg, WV

2016-2017

1. Surgical Discipline/Course Advisor
2. Lectures to 1st and 2nd year students
3. CS1 Abdominal exams
4. Open lab
5. OSCE
6. Development of 3rd and 4th year curriculum, lectures, and Campus Visits
7. Creation of videos for educational days

Greenbrier Valley Medical Center, Ronceverte, WV (122 beds)

2014-2017

1. Peer Review Committee
2. Quality Improvement Committee
3. Patient Safety Committee – Chairperson
4. Infection Control Committee – Chairperson
5. Antibiotic Stewardship Committee
6. Chairman of Surgery, September 2016

Southern Regional Medical Center, Riverdale, GA (331 Bed)

Chairman, Department of Surgery

2013-2014

Transformational health care change agent

Oversee the day-to-day operations of the Surgery Department and operating room

Help to direct the hospital and administration with research, personnel, and education to improve the access, quality, and efficiency of the surgical process

Ensures that administrative, Joint Commissions regulations, and quality measures are followed appropriately

Strong advocate of evidence-based medicine

Improved efficiency with changing the operating room block utilization process

Helped to implement the electronic medical record system
Physician champion for surgical services
Integral part of the Robotic surgery venture for Clayton County

Medical Director, Spivey Station Surgery Center 2005-2014
Jonesboro, GA
(4 OR's, 3 Minor rooms)

Administrative and faculty committees
Continuing medical education for staff
Implementation of quality and electronic medical records
Peer Review liaison
Helped change the culture to a 'team' approach
Directly guided new surgeons to expand surgical volume
Leader in indigent care for the community

Vice Chairman, Department of Surgery 2000-02, 2009-13

Led the peer-review process
Physician champion and leader for the implementation of EMR
Expanded the communication network

Chairman, Peer Review Committee 2000-02, 2009-13

Chairman, CME Committee 2009-2014

Developed weekly lecture series for medical students
Monthly presentations on surgical issues and diseases

Physician Liaison, VAC 2010-2014

Established as the physician decision-maker for innovative technology
Organized monthly meetings for streamlined utilization

Chairman, Oncology Committee 2011-2013

Organized and recruited physicians for monthly presentations
Increased attendance by 50%
Led the way for integration with Emory for joint conferences
Continued to support the tumor registry

POSTER PRESENTATIONS:

1. How accurate is the diagnosis of anal ulcers in AIDS patients? The American Society of Colon and Rectal Surgeons, Chicago, May 2-7, 1993.
2. Must early postoperative oral intake be limited to laparoscopy? The American Society of Colon and Rectal Surgeons, Chicago, May 2-7, 1993.
3. Does laparoscopy confer an advantage over standard colectomy? The first European Congress of the European Association for Endoscopic Surgery- E.A.E.S., Cologne, Germany, June 3-5, 1993.
4. Calcium gluconates effect on segmental colonic transit times: a blinded, randomized, placebo controlled study. 58th Annual Scientific Meeting American College of Gastroenterology, New York, October 3-6, 1993.
5. Does laparoscopic assisted ileal pouch anastomosis reduce the length of hospitalization? 58th Annual Scientific Meeting American College of Gastroenterology, New York, October 3-6, 1993. 1993 ACG/MERCK SENIOR FELLOW AWARD RECIPIENT.
6. How Accurate is the diagnosis of anal ulcers in AIDS patients? 58th Annual Scientific Meeting American College of Gastroenterology, New York, October 3-6, 1993.

7. A prospective randomized endoscopists blinded comparison of two oral lavage solutions for colonoscopy. 58th Annual Scientific Meeting American College of Gastroenterology, New York, October 3-6, 1993.
8. Is Ileal Pouch Anal Anastomosis safe in patients over sixty years of age? 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
9. Outcome after Restorative Proctocolectomy for Ulcerative Colitis Compared with Indeterminate Colitis. 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
10. Can Segmental Colonic Transit Times be reproduced with reliable results? 93rd Annual Convention of American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
11. How safe is elective Colorectal Surgery in the elderly? 93rd Annual Convention of the American Society of Colon and Rectal Surgeon, Orlando, Florida, May 8-13, 1994.
12. D'Hoore A, Cohen S, Albert M, Herbst F, Senagore A, Stamos MJ, Pahlman L, Wexner SD. COMPRES final results: nitinol compression anastomosis results in a much lower than expected rate of anastomotic leak in low anterior resection (LAR). Poster presented at: Annual Scientific Meeting of the American Society of Colorectal Surgeons (ASCRS); June 2-6, 2012; San Antonio, TX.
13. The PARSC trial, a prospective study for the assessment of recurrence risk in stage II colon cancer patients using ColoPrint. Authors: R. Salazar, J. Marshall, J. Capdevila, B. Glimelius, J. de Waard, J. Van Der Hoeven, J. Klaase, F. Bibeau, T. Bachleitner-Hofmann, R. A. Midgley, E. A. Levine, W. L. Law, M. Asano, G. J. Chang, S. M. Cohen, R. W. Beart, P. M. Goldfarb, M. McCarter, L. Stork-Sloots, R. Rosenberg

FORMAL PRESENTATIONS:

1. The Surgical management of perforated diverticulitis: One community hospital's experience. First Annual Resident's Grand Rounds, Boston University Medical Center, Boston, December 14, 1990.
2. A prospective randomized comparison of a new laparoscopic stapling technique. The Greater Miami Chapter of the American College of Surgeons, Miami, April 28, 1993.

3. A prospective randomized comparison of a new laparoscopic stapling technique. The first European Congress of the European Association for Endoscopic Surgery-E.A.E.S., Cologne, Germany, June 3-5, 1993.
4. Does laparoscopic-assisted ileal pouch anal anastomosis reduce the length of hospitalization? The First European Congress of the European Association for Endoscopic Surgery-E.A.E.S., Cologne, Germany, June 3-5, 1993.
5. Is laparoscopic surgery oncologically sound? SD Wexner, SM Cohen. The First European Congress of the European Association for Endoscopic Surgery-E.A.E.S., Cologne, Germany, June 3-5, 1993.
6. Recognition and management of common benign anorectal disorders. Fairhaven Country Club, Tamarac, Florida, September 12, 1993.
7. Pathophysiology of radiation injury. SD Wexner, SM Cohen. American College of Surgeons, San Francisco, October 10-15, 1993.
8. Current Surgical Therapy in Inflammatory Bowel Disease. Meeting the Challenge Through Knowledge: New Strategies in the Treatment of Inflammatory Bowel Disease. Florida Tri-Coast Chapter of the Crohn's and Colitis Foundation of America, Inc. Melbourne, Florida, October 16, 1993.
9. Does xylene mesenteric fat clearance improve lymph node harvest after colon resection? 87th Annual Scientific Assembly of the Southern Medical Association, New Orleans, October 28-31, 1993. 1st PLACE; PHYSICIANS'-IN-TRAINING COMPETITION
10. A prospective randomized endoscopic-blinded trial comparing pre-colonoscopy bowel cleansing methods. Annual Meeting of the Northeastern Society of Colon and Rectal Surgeons, Palm Beach, Florida, November 6-11, 1993.
11. Laparoscopy for inflammatory bowel disease. SD Wexner, SM Cohen. Fourteenth Annual Symposium on Colorectal Surgery, Cleveland, Ohio, November 19-20, 1993.
12. Laproscopic-assisted right colectomy for chronic ileocecal volvulus (Video presentation). Annual Endoscopic Exposition for the Society of Laparoendoscopic Surgeons, Orlando, Florida, December 9-11, 1993.
13. Laparoscopic-assisted total abdominal colectomy with restorative proctocolectomy (Video presentation). Annual Endoscopic Exposition for the Society of Laparoendoscopic Surgeons, Orlando, Florida, December 9-11, 1993.

14. A prospective randomized trial of new laparoscopic stapling technique. Annual Endoscopic Exposition for the Society of Laparoendoscopic Surgeons, Orlando, Florida, December 9-11, 1993.
15. Laparoscopic colorectal surgery. Grand Rounds, Cleveland Clinic Hospital, May 4, 1994.
16. Laparoscopic colorectal surgery ascending the learning curve. 5th Annual Surgical Research Forum of the South Florida Chapter of the American College of Surgeons, Miami, Florida, May 4, 1994. 3rd PLACE: RESIDENT PAPER COMPETITION.
17. Long Term Outcome of the Double Stapled Ileoanal Reservoir. 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
18. Is Early Oral Feeding Safe After Elective Colorectal Surgery? 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
19. A Prospective Randomized Endoscopic-Blinded Trial Comparing Pre-Colonoscopy Bowel Cleansing Methods. 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
20. Laparoscopic Colorectal Surgery – Are We Being Honest with our Patient? 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
21. A prospective Comparison of Laparoscopic and Open Procedures in Colorectal Surgery. 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994.
22. Laparoscopic Colorectal Surgery-Ascending the Learning Curve. 93rd Annual Convention of the American Society of Colon and Rectal Surgeons, Orlando, Florida, May 8-13, 1994
23. Contemporary Techniques In Gastrointestinal Surgery. Presented by: Emory University School of Medicine Department of Surgery. Presentation subject: Techniques for Benign Anorectal Disease. May 3, 2008.
24. Northern Division of Georgia SGNA 6th Annual Seminar. Molding our GI Futures. Piedmont Hospital. Colon Ring Compression Anastomosis, The Future of Natural Healing. March 13, 2010.
25. Ohio Chapter American College of Surgeons. 56th Annual Meeting. Presentation: Concurrent Session B: Complex Parastomal Hernia Repair. May 5-7, 2011. www.ohiofac.org

26. American College of Osteopathic Surgeons Annual Convention. September 15-18, 2011. Presentation: Transhemorrhoidal Deterialization (THD)- A New Approach for an Old Disease.

CO-AUTHOR PRESENTATIONS:

1. Kmiot W, Reiver D, Binderow S, Cohen S, Noguerras J, Jagelman D, Wexner S. Prospective comparison of laparoscopic assisted and standard colorectal surgery. 79th Meeting of the Surgical Research Society at the Institute of Education, University of London, January 6-7, 1994, London, United Kingdom. (Presentation by WA Kmiot, M.D.)
2. Kmiot, W, Reiver D, Binderow S, Cohen S, Noguerras J, Jagelman D, Wexner S. Prospective comparison of laparoscopic assisted and standard colorectal surgery. Association of coloproctology at the Royal Society of Medicine, January 1994, London, United Kingdom. (Presentation by WA Kmiot, M.D.)
3. Kmiot W, Reiver D, Cohen S, Lucas F, Noguerras J, Jagelman D, Wexner S. Prospective comparison of restorative proctocolectomy for indeterminate colitis versus ulcerative colitis. British Society of Gastroenterology, Annual Meeting, March 23-25, 1994, Manchester, United Kingdom. (Presentation by WA Kmiot, M.D.)
4. Kmiot W, Reiver D, Binderow S, Cohen S, Noguerras J, Jagelman D, Wexner S. Prospective comparison of laparoscopic assisted and standard colorectal surgery. Association of the Surgeons of Great Britain and Ireland, Annual Scientific Meeting, April 20-22, 1994, Harrogate, United Kingdom. (Presentation by WA Kmiot, M.D.)
5. Reissman P, Weiss EG, Cohen SM, Noguerras JJ, Wexner SD. The functional outcome of the double-stapled ileoanal reservoir in patients over sixty years of age. Society for Surgery of the Alimentary Tract, May 16-18, 1994, New Orleans, Louisiana. (Presentation by Reissman, M.D.)
6. Weiss EG, Reiver D, Reissman P, Cohen S, Noguerras JJ, Wexner SD. Septic complications of ileal pouch anal anastomosis. Annual Meeting of the American California, September 28-29, 1994. (Poster presentation by Eric G. Weiss, M.D.)
7. Weiss EG, Kmiot WA, Reiver D, Cohen SM, Reissman P, Lucas FV, Noguerras JJ, Wexner SD. Outcome after restorative proctocolectomy for ulcerative colitis compared with indeterminate colitis. World Congress of Gastroenterology, Los Angeles, California, October 2-7, 1994. (Poster presentation by E. Weiss, M.D.)
8. Reissman P, Cohen, SM, Kmiot WA, Reiver D, Weiss EG, Noguerras JJ, Wexner SD. Is ileal pouch anal anastomosis safe in patients over sixty years

- of age? World Congress of Gastroenterology, Los Angeles, California, October 2-7, 1994. (Poster presentation by P. Reissman, M.D.)
9. Reissman P, Teoh TA, Cohen SM, Weiss EG, Nogueras JJ, Wexner SD. Is early oral feeding safe after elective colorectal surgery? World Congress of Gastroenterology, Los Angeles, California, October 2-7, 1994. (Poster presentation by P. Reissman, M.D.)
 10. Weiss EG, Reiver D, Reissman P, Cohen SM, Nogueras JJ, Wexner SD. Septic complications of ileal pouch anal anastomosis (IPAA). Southern Medical Association 88th Annual Scientific Assembly, Orlando, Florida, November 2-6, 1994. (Presentation by Eric G. Weiss, M.D.)
 11. Pfeifer J, Reissman P, Weiss EG, Cohen SM, Nogueras JJ, Wexner SD, Teoh TA. Is early oral feeding safe after elective colorectal surgery? Southern Medical Association 88th Annual Scientific Assembly, Orlando, Florida, November 2-6, 1994. (Presentation by Johann Pfeifer, M.D.)
 12. Weiss EG, Kmiot WA, Reiver D, Cohen SM, Reissman P, Lucas FV, Nogueras JJ, Wexner SD. Outcome after restorative proctocolectomy for ulcerative colitis compared with indeterminate colitis. Southern Medical Association 88th Annual Scientific Assembly, Orlando, Florida, November 2-6, 1994. (Presentation by Eric G. Weiss, M.D.)
 13. Simmonds A, Keller-Biehl L, Khader A, Timmerman W, Cohen S, Amendola M. Predicting Complications after Ostomy Takedown following Colectomy in the Veterans Affairs Hospital System. 45th Annual Surgical symposium of the Association of VA Surgeons. Pittsburgh, PA; April 24 – 26, 2022.
 14. Simmonds A, Keller-Biehl L, Khader A, Timmerman W, Cohen S, Amendola M. Comparing Colectomy Outcomes Between Veteran Affairs Hospitals and Non-Veteran Affairs Hospitals. 45th Annual Surgical symposium of the Association of VA Surgeons. Pittsburgh, PA; April 24 – 26, 2022.

ONGOING CLINICAL RESEARCH

Retrospective Evaluation of Veritas® Collagen Matrix used Prophylactically and in Parastomal Hernia Repair (REPAIR)
Protocol Number: 11-001 - Complete

An Extended Pain Relief Trial Utilizing the Infiltration of a Long Acting Multivesicular Liposome Formulation of Bupivacaine, EXPAREL: A Phase 3b Health Economic Trial in Adult Patients Undergoing Open Colectomy.
Protocol Number: MA402S23B303 - Complete

The PARSC trial, a prospective study for the assessment of recurrence risk in stage 11 colon cancer patients using ColoPrint.
Protocol Number: 11-056 - Complete

Veritas® In Non- Bridging Ventral Hernia Repair (VIBE)
Protocol Number: 09-004 - Complete
